#### RESOLUTION 2025-07

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE LANDINGS COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2025/2026; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS, INCLUDING BUT NOT LIMITED TO PENALTIES AND INTEREST THEREON; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Landings Community Development District ("District") is a local unit of special-purpose government established pursuant to Chapter 190, *Florida Statutes*, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in City of Palm Coast, Flagler County, Florida ("County"); and

**WHEREAS,** the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District's adopted capital improvement plan and Chapter 190, *Florida Statutes*; and

WHEREAS, the Board of Supervisors ("Board") of the District hereby determines to undertake various operations and maintenance and other activities described in the District's budget ("Adopted Budget") for the fiscal year beginning October 1, 2025 and ending September 30, 2026 ("Fiscal Year 2025/2026"), attached hereto as Exhibit "A;" and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

**WHEREAS,** the provision of such services, facilities, and operations is a benefit to lands within the District; and

**WHEREAS,** Chapter 190, *Florida Statutes*, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

**WHEREAS,** the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2025/2026; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector ("Uniform Method"), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the assessment roll ("Assessment Roll") attached to this Resolution as Exhibit "B," and to certify the portion of the Assessment Roll related to certain developed property ("Tax Roll Property") to the County Tax Collector pursuant to the Uniform Method and to directly collect the portion of the Assessment Roll relating to the remaining property ("Direct Collect Property"), all as set forth in Exhibit "B;" and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll adopted herein, including that portion certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

## NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE LANDINGS COMMUNITY DEVELOPMENT DISTRICT:

**SECTION 1. BENEFIT & ALLOCATION FINDINGS.** The provision of the services, facilities, and operations as described in **Exhibit "A"** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibits "A" and "B,"** and is hereby found to be fair and reasonable.

**SECTION 2. ASSESSMENT IMPOSITION.** Pursuant to Chapters 170, 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District and in accordance with **Exhibits "A" and "B."** The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for operation and maintenance assessments.

#### SECTION 3. COLLECTION AND ENFORCEMENT; PENALTIES; INTEREST.

- A. **Tax Roll Assessments.** The operations and maintenance special assessments and previously levied debt service special assessments imposed on the Tax Roll Property shall be collected at the same time and in the same manner as County taxes in accordance with the Uniform Method, as set forth in **Exhibits "A" and "B."**
- B. **Direct Bill Assessments.** The operations and maintenance special assessments and previously levied debt service special assessments imposed on the Direct Collect

Property shall be collected directly by the District in accordance with Florida law, as set forth in Exhibits "A" and "B." Assessments directly collected by the District are due in full on December 1, 2025; provided, however, that, to the extent permitted by law, the assessments due may be paid in several partial, deferred payments and according to the following schedule: 50% due no later than December 1, 2025, 25% due no later than February 1, 2026 and 25% due no later than May 1, 2026. In the event that an assessment payment is not made in accordance with the schedule stated above, the whole assessment – including any remaining partial, deferred payments for Fiscal Year 2025/2026, shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced pursuant to a foreclosure action, or, at the District's sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the rate of any bonds secured by the assessments, or at the statutory prejudgment interest rate, as applicable. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate foreclosure proceedings pursuant to Chapter 170, Florida Statutes, or other applicable law to collect and enforce the whole assessment, as set forth herein.

C. Future Collection Methods. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

**SECTION 4. ASSESSMENT ROLL.** The Assessment Roll, attached to this Resolution as **Exhibit "B,"** is hereby certified for collection. That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the District.

**SECTION 5. ASSESSMENT ROLL AMENDMENT.** The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution, and shall amend the Assessment Roll in accordance with any such updates, for such time as authorized by Florida law, to the County property roll. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

**SECTION 6. SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

**SECTION 7. EFFECTIVE DATE.** This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

Board of Supervisors Landings Community Development District 219 East Livingston Street Orlando, FL 32801

We are pleased to confirm our understanding of the services we are to provide Landings Community Development District, Flagler County, Florida ("the District") for the fiscal year ended September 30, 2025. We will audit the financial statements of the governmental activities and each major fund, including the related notes to the financial statements, which collectively comprise the basic financial statements of Landings Community Development District as of and for the fiscal year ended September 30, 2025. In addition, we will examine the District's compliance with the requirements of Section 218.415 Florida Statutes. This letter serves to renew our agreement and establish the terms and fee for the 2025 audit.

Accounting principles generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the District's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the District's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis
- 2) Budgetary comparison schedule

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that information:

1) Compliance with FL Statute 218.39 (3) (c)

#### **Audit Objectives**

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of the District and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of the District's financial statements. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion on the financial statements is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or issue a report, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that the District is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

#### **Examination Objective**

The objective of our examination is the expression of an opinion as to whether the District is in compliance with Florida Statute 218.415 in accordance with Rule 10.556(10) of the Auditor General of the State of Florida. Our examination will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and will include tests of your records and other procedures we consider necessary to enable us to express such an opinion. We will issue a written report upon completion of our examination of the District's compliance. The report will include a statement that the report is intended solely for the information and use of management, those charged with governance, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion on the District's compliance is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the examination or are unable to form or have not formed an opinion, we may decline to express an opinion or issue a report, or may withdraw from this engagement.

#### **Other Services**

We will assist in preparing the financial statements and related notes of the District in conformity with U.S. generally accepted accounting principles based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

#### **Management Responsibilities**

Management is responsible for compliance with Florida Statute 218.415 and will provide us with the information required for the examination. The accuracy and completeness of such information is also management's responsibility. You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. In addition, you will be required to make certain representations regarding compliance with Florida Statute 218.415 in the management representation letter. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, who possesses suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Management is responsible for designing, implementing and maintaining effective internal controls, including evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

#### Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

#### **Audit Procedures—Internal Control**

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

#### **Audit Procedures—Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the District's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

#### **Engagement Administration, Fees, and Other**

We understand that your representatives will prepare all cash or other confirmations we request and will locate any documents selected by us for testing.

The audit documentation for this engagement is the property of Grau & Associates and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a cognizant or oversight agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Grau & Associates personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies. Notwithstanding the foregoing, the parties acknowledge that various documents reviewed or produced during the conduct of the audit may be public records under Florida law. The District agrees to notify Grau & Associates of any public record request it receives that involves audit documentation.

Furthermore, Grau & Associates agrees to comply with all applicable provisions of Florida law in handling such records, including but not limited to Section 119.0701, Florida Statutes. Auditor acknowledges that the designated public records custodian for the District is the District Manager ("Public Records Custodian"). Among other requirements and to the extent applicable by law, Grau & Associates shall 1) keep and maintain public records required by the District to perform the service; 2) upon request by the Public Records Custodian, provide the District with the requested public records or allow the records to be inspected or copied within a reasonable time period at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes; 3) ensure that public records which are exempt or confidential, and exempt from public records disclosure requirements, are not disclosed except as authorized by law for the duration of the contract term and following the contract term if Auditor does not transfer the records to the Public Records Custodian of the District; and 4) upon completion of the contract, transfer to the District, at no cost, all public records in Grau & Associate's possession or, alternatively, keep, maintain and meet all applicable requirements for retaining public records pursuant to Florida laws. When such public records are transferred by Grau & Associates, Grau & Associates shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the District in a format that is compatible with Microsoft Word or Adobe PDF formats.

Very truly yours,

IF GRAU & ASSOCIATES HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO ITS DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE PUBLIC RECORDS CUSTODIAN AT: C/O GOVERNMENTAL MANAGEMENT SERVICES – CENTRAL FLORIDA LLC, 219 EAST LIVINGSTON STREET ORLANDO, FLORIDA 32801, OR RECORDREQUEST@GMSCFL.COM, PH: (407) 841-5524.

Our fee for these services will not exceed \$6,200 for the September 30, 2025 audit, unless there is a change in activity by the District which results in additional audit work or if additional Bonds are issued. This agreement is automatically renewed each year thereafter subject to the mutual agreement by both parties to all terms and fees. The fee for each annual renewal will be agreed upon separately.

We will complete the audit within prescribed statutory deadlines, which requires the District to submit its annual audit to the Auditor General no later than nine (9) months after the end of the audited fiscal year, with the understanding that your employees will provide information needed to perform the audit on a timely basis.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. Invoices will be submitted in sufficient detail to demonstrate compliance with the terms of this agreement. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate.

The District has the option to terminate this agreement with or without cause by providing thirty (30) days written notice of termination to Grau & Associates. Upon any termination of this agreement, Grau & Associates shall be entitled to payment of all work and/or services rendered up until the effective termination of this agreement, subject to whatever claims or off-sets the District may have against Grau & Associates.

We will provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2022 peer review report accompanies this letter.

We appreciate the opportunity to be of service to Landings Community Development District and believe this letter accurately summarizes the terms of our engagement and, with any addendum, if applicable, is the complete and exclusive statement of the agreement between Grau & Associates and the District with respect to the terms of the engagement between the parties. CONTRACTOR shall comply with all applicable laws, statutes, regulations and codes, including without limitation those relating to anti-bribery and anti-corruption, including without limitation the Foreign Corrupt Practices Act of 1977 and Bribery Act 2010, each as amended (the "Relevant Requirements"). At any time when requested by the Owner, Contractor shall certify in writing that Contractor is and at all times has been in compliance with all Relevant Requirements. The Owner may terminate this Agreement immediately by giving written notice to Contract if Contractor is, or Owner reasonably suspects that Contractor, is not in compliance with the Relevant Requirements.

1. Parties; Effective Date. This Contractor Agreement ("Agreement") is between the above-identified Owner and Contractor, and is effective on the Effective Date set forth above. The above-identified Owner shall be deemed a third party beneficiary of this Agreement with respect to any provision of this Agreement that benefits Project Owner. For the purposes of this Agreement, "Affiliate" means any person or entity that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with Owner or Contractor. As used in this definition "control" (including, with correlative meanings,

"controlled by" and "under common control with") shall mean possession, directly or indirectly, of power to direct or cause the direction of management or policies (whether through ownership of securities or other ownership interest, by contract or otherwise). Owner and Contractor shall collectively be referred to in this Agreement as the "Parties".

#### Purpose of Agreement.

- 1.1 This Agreement sets forth the terms under which Owner may request and Contractor shall provide, as an independent contractor, certain labor, skills and supervision (collectively the "Work") to Owner in connection with the above-identified Project. Work includes all related procurement of materials, supplies, labor, and equipment (collectively the "Materials and Labor") included with and/or used in connection with Work, and/or designated by Owner in Specifications for the Project. Contractor acknowledges that there is no guarantee of any amount of Work to be awarded under this Agreement but to the extent any Work is agreed to, the terms of this Agreement shall control. The intent of the Parties is to have the contractual terms agreed to in this Agreement so that the Parties can focus solely on the specific business terms of any Work.
- 1.2 Contractor agrees to be bound to Owner by the terms of this Agreement and shall assume towards Owner all the obligations and responsibilities, including the responsibility for safety of the Work. Moreover, nothing in this Agreement shall prejudice or impair the rights of Owner. Additionally, Contractor agrees that nothing in any contract between Contractor and any Contractor shall prejudice or impair the rights of Owner contained in this Agreement.

#### 2. Agreement Documents.

- This Agreement consists of: (a) this Agreement, which defines the basic terms and conditions of the relationship between the parties; (b); Exhibits to this Agreement; and (c) any amendments agreed to in writing between the parties pursuant to this Agreement ((a) through (c) collectively, shall be referred to herein as the "Agreement Documents"). The provisions of the Agreement Documents shall, to the extent possible, be interpreted consistently, and in a manner as to avoid conflict. In the event of a conflict or inconsistency by and between the Agreement Documents, the greater or more stringent requirement shall apply, but in the event this does not resolve such a dispute, the following order of precedence shall apply: (i) Amendments to this Agreement; (ii) Exhibits to this Agreement; and (iii) the terms of this Agreement. Exhibits to this Agreement consist of: Exhibit A Trade Specific Scope of Work; Exhibit B General Conditions; Exhibit C Site Safety Rules; Exhibit D Emergency Action Plan; Exhibit E Insurance Requirements;; Exhibit F Partial Waiver & Release of Lien; and Exhibit G Final Waiver & Release of Lien.
- THIS AGREEMENT AND THE DOCUMENTS SPECIFICALLY INCORPORATED HEREIN BY REFERENCE REPRESENT THE ENTIRE AGREEMENT BETWEEN OWNER AND CONTRACTOR AND SUPERSEDE PRIOR NEGOTIATIONS, REPRESENTATIONS, AGREEMENTS EITHER WRITTEN OR ORAL. TERMS AND CONDITIONS OF PROPOSALS, QUOTATIONS, DELIVERY TICKETS, INVOICES, WORK ORDERS AND OTHER SIMILAR ITEMS, UNLESS SPECIFICALLY MADE A PART OF THIS AGREEMENT, SHALL NOT BE APPLICABLE. ANY AND ALL TERMS OF ANY CONTRACTOR QUOTATIONS, ACKNOWLEDGEMENTS, INVOICES OR OTHER CONTRACTOR DOCUMENTATION RELATED TO THE PROJECT, INCLUDING BUT NOT LIMITED TO THOSE IDENTIFIED ABOVE, ARE HEREBY CANCELLED AND RENDERED NULL AND VOID TO THE EXTENT OF SUCH CONFLICT AND/OR INCONSISTENCY, AND THIS AGREEMENT WILL CONTROL. THIS SUBCONTRACT MAY BE AMENDED ONLY BY A WRITTEN MODIFICATION SIGNED BY BOTH PARTIES.

#### 3. Ordering Process.

3.1 During the term of this Agreement, Owner may make available Specifications and related documents and information to Contractor related to the Project, and request from Contractor a bid or proposal for Work for the Project. For the purposes of this Agreement, "Specifications" includes all plans, reports, drawings, sketches, renderings, specifications, option lists, and other related documents in connection with the Project, including all revisions thereto made throughout the progress of the Project.

- 3.2 If requested, Contractor may submit a bid or proposal to Owner in connection with the Project, in which case Contractor: (a) represents and warrants that it has inspected the Project jobsite, if necessary, has found the Project jobsite available and accessible, and has reviewed the Specifications and related documents and information for the Project in formulating and preparing its bid or proposal; (b) shall (as requested by Owner) identify all suppliers, subcontractors, laborers, material suppliers, engineers, agents, consultants and/or other persons from whom Contractor proposes to purchase and/or to contract for necessary Work, Materials and Labor required by Contractor for the Project and any other entity under the direction of Contractor (collectively, "Contractor's Agents"); (c) shall provide any information requested by Owner, including, without limitation, detailed take-offs, Material specifications and literature, quantities, unit costs, labor costs and hours, submittals, shop drawings, insurance costs and other overhead and (d) represents and warrants that it has investigated and confirmed that its proposed Work complies with all applicable local, state and federal ordinances, laws, rules and regulations, including but not limited to building codes, safety laws, all occupational safety and health standards promulgated by the Secretary of Labor under the Occupational Safety and Health Act (collectively, "Applicable Laws"), or has brought to the immediate attention of Owner in writing any portion of the Work that does not so comply.
- 3.3 Contractor agrees that all Specifications, including copies thereof, are the property of Owner and are not to be used on other work or given to other parties, except as required for the Work or when permitted by an officer of Owner in writing. Owner shall be deemed the author and owner of the Specifications and shall retain all common law, statutory and other reserved rights, including copyright. All Specifications shall be returned to Owner upon completion of the Work.
- During the term of this Agreement, Owner may make available a Contractor(a) notice to proceed and/or change orders; (b) Specifications, to the extent such Specifications are relevant to the Work; and/or (c) the schedule for the Project, including, but not limited to the Work to be performed by Contractor, that is prepared by Owner and provided to Contractor ("Construction Schedule"). A Construction Schedule may be delivered to Contractor, posted at the Project jobsite and/or published from time to time in electronic format. Any other notice by Owner under this Agreement may be written and/or electronic and may be placed in person by mail, fax, e-mail and/or by or through any other media or mode of communication selected by Owner.
- 3.5 Acceptance of Work. If Contractor commences performance of the Work, with or without a fully executed Agreement, it will be deemed to have accepted the terms and conditions of this Agreement. If Contractor commences Work without a fully executed Agreement, it shall do so at its own risk and cost.
- 3.6 Items of Work or Materials omitted from Contractor's bid or proposal that are clearly inferable from the Specifications presented by Owner shall be performed by Contractor and shall be deemed to be part of the Work, at no additional cost to Owner. The description of Work to be performed by Contractor shall not be deemed to limit the obligations of Contractor. Contractor shall immediately notify Owner in writing of any discrepancy, error, conflict or omission discovered by Contractor or Contractor's Agents in the Specifications at any time.
- 3.7 Contractor acknowledges and agrees that this is a non-exclusive agreement and that nothing herein constitutes a promise, guarantee, representation or commitment of any minimum or specified number of opportunities or that any Work shall be issued to Contractor hereunder.

#### 4. Initiation of Work.

- 4.1 Contractor shall perform all Work described in the Specifications in accordance with this Agreement. Time is of the essence in connection with all of Contractor's obligations under this Agreement.
- 4.2 Contractor represents and warrants that it shall be properly authorized to do business in any jurisdiction where it shall perform Work, and that it shall be properly licensed by all necessary governmental authorities for the Work contemplated by this Agreement. Contractor shall, at its sole cost, obtain all permits required for Contractor to perform Work, other than general building permits, which shall be provided by Owner. It is the responsibility of the Contractor to maintain current copies of all licenses and certificates of competency required by all jurisdictions where Contractor shall perform Work, and to provide to and maintain with Owner

// FL - 02/2022

- current copies of these documents to Owner before commencement of Work, and continually throughout the course of the Project should any of these change in any manner.
- 4.3 Contractor shall have no authority to commence Work at any location of the Project until Contractor has received written notice to proceed from Owner for the specific location.
- 4.4 Contractor represents and warrants that, prior to commencing Work on the Project initially, or at any subsequent time, it shall have:
  - (a) thoroughly inspected the then-current state of the Project jobsite and reviewed the latest version of the Specifications and Construction Schedules for the Project, it being Contractor's responsibility to stay informed regarding all changes in the jobsite, Specifications and Construction Schedules throughout the course of the Project;
  - (b) ascertained the jobsite conditions to be encountered in the performance of the Work, including verifications of all grades, measurements and the locations of all existing utilities;
  - (c) inspected all curbs, landscaping, common areas, walks, drives and streets, and reported any damage to Owner (damage found later may be charged to Contractor);
  - (d) verified that all Work, storage and access areas and surfaces related to or adjoining the Work are satisfactory for the commencement of the Work. The commencement of the Work by Contractor shall be deemed as Contractor's acceptance of the jobsite and all access and storage areas; and
  - (e) notified Owner, in writing, of any discrepancy, error, conflict or omission discovered by Contractor at the jobsite, in regards to the Specifications and/or work of others.
- 4.5 Contractor shall inspect the Project prior to beginning its Work. If any problems, vandalism, damage, differences from the Specifications, and/or irregularities in components, which are unacceptable exist as to pre-existing work, Contractor shall promptly notify Owner so that these items are corrected prior to Contractor beginning its Work. Commencement of any Work to be performed by Contractor constitutes an affirmation by Contractor that, to the best of Contractor's knowledge, the work which preceded Contractor's Work has been completed in a proper and acceptable fashion. In no event should the Contractor be entitled to claim extra compensation as a result of unacceptable surface and/or areas unless same has been reported in writing prior to commencement of work. Thereafter, if any incorrect work by others preceding performance by Contractor necessitates all or a portion of Contractor's Work to be revised or replaced (as determined by Owner in its sole and absolute discretion), the costs of the same shall be borne by Contractor, and such Work shall be subject to Owner's review and acceptance. In addition, Contractor shall be liable and responsible to Owner if Contractor's Work results in problems, defects and/or delays in the work of other Contractors or Sub-Contractors. The completion of any portion of the Work constitutes a warranty on Contractor's part that such portion of the Work is in accordance with all provisions of the Agreement Documents and all Applicable Laws. To the extent all or any portion of the Work fails to meet the foregoing standard. Contractor shall have 48 hours after learning of (or receiving notice of) such failure to begin curing the failure and any damage caused thereby. To the extent Contractor fails to begin the cure within such 48 hour period, or thereafter fails to proceed diligently, then Owner may, in addition to any other remedies set forth in the Agreement Documents, complete any and all Work it deems necessary and may set off any amounts spent against amounts owed to Contractor by Owner or any of their Affiliates. Furthermore, to the extent that such amounts are insufficient to compensate Owner for monies spent, then Contractor shall remit such deficit to Owner within 5 days of request therefore by Owner.
- 5. Performance and Progress of Work.
- 5.1 From time to time Owner may issue instructions to Contractor identifying the Work to be performed at each specific location within the Project, and establishing a Construction Schedule for that portion of the Work. Contractor must review the Construction Schedule daily to verify, prior to commencing any Work any

changes to the Construction Schedule and that the correct Materials, colors, options, and elevations are being used, as well as confirming that the schedule is current. Owner may amend the Construction Schedule for the Project from time to time by giving Contractor written notice of the new Construction Schedule, revised Specifications or specific Project jobsite conditions. Owner may also direct that certain parts of the Work be prosecuted in preference to others in order to maintain the progress of the Project.

- Upon request, Contractor shall identify to Owner in writing all suppliers and other persons from whom Contractor proposes to purchase or to contract with or has purchased from or contracted with for necessary Materials, Work and other items which may be required by Contractor to fully perform its obligations hereunder. Contractor shall furnish, at its own cost and expense, all Work, Materials, and Labor and equipment to perform Work in accordance with the terms of this Agreement. Contractor shall have the necessary personnel available to meet the Construction Schedule, including but not limited to personnel necessary to maintain the Construction Schedule due to any weather delays. Contractor shall pay all taxes, royalties and license fees applicable to Materials furnished by Contractor in the performance of this Agreement. Contractor shall secure and pay for all government approvals, if necessary, for the incorporation of Materials into the Project. Should Contractor use Owner's equipment or facilities, Contractor shall reimburse Owner at a pre-determined rate prior to the use thereof.
- Contractor hereby agrees to comply with all provisions and requirements of the local jurisdiction within which the Project is located, including, but not limited to, those relating to construction noise. Unless otherwise specified by Owner, construction, alteration, or repair activities which are authorized by a valid permit shall be allowed between the hours permitted by the jurisdiction in which the Project is located. On weekends and federal holidays, construction shall be allowed only upon receipt of a weekend/holiday work permit from the local jurisdiction, if required, by its ordinances and/or any applicable homeowner's association rules. Contractor shall have the option, at its own cost, to provide and maintain feasible noise control measures. If mitigation is not feasible, then Work shall be scheduled during the hours when residents shall be least affected, at no additional cost to Owner. If blasting activities are required to perform the Work, Contractor shall conduct the blasting activities in compliance with all Applicable Laws. Contractor shall submit blasting plans to the local jurisdiction for review and obtain approval prior to commencing any onsite or off-site blasting activities.
- Contractor shall perform all Work in accordance with the terms and conditions set forth in this Agreement. 5.4 Contractor shall coordinate its Work with Owner and other Contractors and sub-Contractors of Owner and/or other contractors so that there will be no delay or interference with the Work being performed by Owner and its Contractors, Contractor shall perform all Work promptly and efficiently and without delaying other work on the Project. Contractor agrees to remedy promptly, at its expense and to the satisfaction of the Owner, and all governmental bodies and agencies having jurisdiction, all defects in its Work (including replacement of defective materials where such materials have been furnished by Contractor or its suppliers) which appear within the Warranty Period (as defined in Section 13.2 of this Agreement). In addition to the foregoing and not by way of limitation thereof, Contractor agrees to repair or replace, to the satisfaction of the Owner and all governmental bodies and agencies having jurisdiction, any of its Work and Materials and any Work and/or Materials of others that are damaged as a result of improper or defective work or materials furnished by Contractor or those working under Contractor, which appear within the Warranty Period. If Contractor should fail or refuse to prosecute the Work properly and diligently or fail to perform any provisions of this Agreement, and should any such failure or refusal continue for 24 hours, or other legally required times, after notice to Contractor, then such failure shall constitute a material breach of this Agreement. Such breach shall entitle Owner to immediately terminate this Agreement and remedy the situation with all Costs being borne by Contractor.
- 5.5 Owner shall have no liability to Contractor if any other laborer, supplier, sub-contractor or Contractor fails to comply with its respective Construction Schedule thereby delaying the progress of the Work of Contractor or Contractor's Agents. Contractor expressly agrees not to make, and hereby waives, any and all monetary claims for damages against Owner caused by any delay for any cause whatsoever, even those delays caused by Owner and those delays for which Owner may otherwise be liable. Contractor acknowledges that an extension of time shall be its sole and exclusive remedy in this regard. Should the Contractor be delayed in the prosecution of any Work solely by the acts of Owner or by a Force Majeure Event, the time allowed for

completion of the Work shall be extended by the number of days that Contractor has been thus delayed, but no allowance or extension shall be made unless a claim therefore is presented in writing to Owner immediately upon the onset of such delay. For the purposes of this Agreement, "Force Majeure Event" shall mean any delay caused by any condition beyond the reasonable control of either Owner or Contractor, including, without limitation, an act of God; flood or other severe weather; war; embargo; fire or other casualty; the intervention of any governmental authority unrelated to any act or failure to act by the party claiming the Force Majeure Event; any act of terrorism or sabotage; and/or a civil riot.

- Contractor shall give Owner immediate written notice if Contractor foresees, experiences and/or is advised of any constraint, shortage or insufficiency in the supply of any Materials, labor or other items necessary for Contractor to timely perform its obligations under this Agreement. The giving of such notice shall not excuse Contractor from its obligations hereunder. In the event of any such constraint, shortage or insufficiency, Contractor shall, at its own cost and expense: (a) use its best efforts to promptly resolve any such constraint, shortage or insufficiency and increase its forces, or work such overtime or expedite the delivery of Materials as may be required to bring its Work into compliance with applicable requirements; and (b) provide Owner with priority of supply and labor over any other customer of Contractor, at no additional cost to Owner. In addition, Owner may, at its sole discretion and option, locate, order and take delivery of the affected Materials directly from the manufacturer or an alternative supplier. If Owner exercises this option, then Contractor shall reimburse Owner for all of its Costs associated therewith, and Owner may, on a going forward basis, continue to order and take delivery of the affected Materials directly from the manufacturer or an alternative supplier. Owner may also, at its sole discretion and option, utilize labor from a different Contractor to perform the Work.
- Contractor shall make no changes in the Work to be performed by it including but not limited to additions, deletions or substitutions, nor shall Contractor perform any additional Work, without the prior written consent of Owner, it being understood that Contractor shall receive no sums in addition to the agreed to price for Work set forth in the Agreement ("Work Price"), and no extension in the Construction Schedule, without first obtaining such prior written consent of Owner. Any authorizations for changes in Work required to be performed by Contractor, including performance of additional Work, shall be subject to the terms of this Agreement and shall be upon such written forms as agreed to by Owner and Contractor. Should Owner so request, Contractor shall perform such additional Work so long as Owner agrees in writing to pay Contractor the specified cost of such additional Work together with Contractor's reasonable overhead and profit attributable thereto. Failure of Contractor to perform such additional Work shall constitute a material breach of this Agreement by Contractor, and any dispute concerning the performance of such additional Work, the amount to be paid Contractor by Owner and/or any adjustment in the Construction Schedule shall not affect Contractor's obligation to perform such additional Work. Touchup work, punch-list work and/or minor patching is considered a part of the Work, and shall not be considered additional Work.
- 5.8 If Contractor is delayed (such delay must be a critical path delay) at any time in the progress of the Work by any act of neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor, then the required completion date or duration set forth in the Construction Schedule shall be extended by the amount of time that Contractor shall have been delayed thereby, subject to Contractor taking all reasonable measures to mitigate the effects of such delay. However, to the fullest extent permitted by law, Owner and their agents and employees shall not be held responsible for any loss or damage sustained by Contractor, or additional costs incurred by Contractor, resulting from a delay caused by Owner, or their Contractors, agents or employees, or any other contractor, or supplier, or by abnormal weather conditions, or by any other cause, and Contractor agrees that the sole right and remedy therefore shall be an extension of time. Additionally:
  - (a) Contractor must submit any claim for an extension of time to Owner in writing before the completion of their task and Owner must respond with its response to the request for an extension of time, which shall be at the Owner's sole discretion. Contractor's failure to give such written notice to Owner shall deprive Contractor of its right to claim an extension of time and any damages or additional costs incurred by Contractor resulting from such delay. The giving of such notice shall not in and of itself establish the validity of the cause of delay or of the extension of time to remedy

the delay. When referenced in this Agreement, working days are defined as Monday through Friday, and exclude weekends and holidays.

- (b) In the event a court of competent jurisdiction shall determine that this provision is inapplicable or unenforceable for any reason, then Contractor's sole right and remedy shall be the amount received by Owner from the party causing the delay on behalf of the Contractor for each day it is actually delayed by any act or neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor. Contractor waives any claim for consequential damages against Owner arising out of or related to the Project and/or this Agreement, including but not limited to loss or use, income, profit, financing, bonding capacity, and/or office overhead.
- 5.9 Should Contractor fail to perform any of its obligations as provided in this Section 6, then Owner shall have the right to subtract the amounts (the "Liquidated Damage Amount(s)") specified in this Section 6 from all sums due to Contractor (whether or not such sums are related to this Project or Agreement) and retain such Liquidated Damage Amounts as liquidated damages under this Agreement. The parties hereto acknowledge and agree that the damages resulting to Owner as a result of the default by Contractor under this Section 6 shall not be subject to specific ascertainment and therefore the provision herein for liquidated damages is incorporated as a benefit to both parties. This provision for liquidated damage is a bona fide damage provision and is not a penalty. The following additional Liquidated Damage Amounts shall also apply to the following events:
  - (a) Should Contractor not show up for Work, the Liquidated Damage Amount shall be \$1,000.00 per day.
  - (b) Should Contractor fail to perform as outlined in this section 6, the Liquidated Damage Amount shall be \$1,000.00 per day.

The Liquidated Damage Amounts apply only to a breach by Contractor of this Section 6 and shall not limit any other damage remedies provided in the Agreement, except with respect to this Section.

- 6. Receipt and Protection of Materials; Protection of Work.
- 6.1 If requested or provided, Contractor and Owner shall sign-off on detailed take-offs provided by Contractor and/or Owner. Once Contractor has signed-off on a take-off, Contractor shall be solely responsible to meet the expectations provided for in the applicable take-off, and no adjustments in the take-off and/or changes to prices charged by Contractor hereunder shall be permitted without Owner's prior express written consent. Contractor shall not over utilize or waste Materials or exceed specifications pursuant to the take-off. In the event of over utilization or waste, Contractor shall be responsible to obtain or procure Materials at Contractor's own expense to complete the Project.
- 6.2 All Materials placed onsite, delivered to and accepted by Contractor, and/or transported by Contractor to and from the jobsite, shall be at the sole risk and responsibility of Contractor. It shall be the duty and responsibility of Contractor to accept or reject all such Materials. Failure of Materials to conform to the Specifications shall be cause for rejection, and Contractor shall not install or use any damaged Materials.
- 6.3 Contractor shall keep, store and maintain all Materials in good order. Contractor shall take commercially reasonable efforts to protect all Materials from damage, theft and/or loss and to protect the Work to be performed by Contractor, and shall at all times be solely responsible for the good condition thereof until final completion of the Work.
- 6.4 Contractor assumes all responsibility and expense for Contractor's Materials and/or tools lost, damaged or stolen at the Project jobsite. Contractor shall protect all property adjacent to that upon which it is performing Work and the property, work and materials of other Contractors and sub-contractors from injury arising out

of Contractor's Work. In no event shall Owner be responsible for loss or damage to the Work or Materials belonging to, supplied to, or under the control of Contractor (except as a direct result of the intentional acts of Owner), and Contractor shall indemnify and hold Owner harmless from any such claims. Contractor acknowledges and agrees that Owner owes no duty to protect Contractor's Work, Materials or tools, and if Owner uses the services of any security service that such services are for Owner's exclusive benefit and that Contractor shall not rely upon such services.

- Without limiting the generality of the foregoing, Contractor shall take all precautions and actions that may be appropriate, whether or not requested by Owner, to protect Materials and/or Work during a predicted natural disaster, e.g., tornado, hurricane, severe thunderstorm.
- 6.6 Contractor shall be responsible for any defect in the Work or damages, theft or loss of Materials caused by or resulting from its failure to adequately and properly protect such Work or Materials. Contractor shall be fully liable and responsible to Owner for all Costs associated with any damage, loss, theft and/or vandalism resulting from Contractor's failure to fully comply with the terms of this Section.
- 7. Quality, Inspection and Correction of Work.
- 7.1 Contractor is solely responsible for the finished quality of its Work. Contractor shall make efficient use of all labor and Materials for the Project, and shall perform the Work in a good and workmanlike manner, free of defects, in compliance with the Agreement, Applicable Laws, and all manufacturers' recommendations, installation guidelines and specifications, and to the satisfaction of Owner. Without limiting the generality of the foregoing, all Work to be performed by Contractor shall meet or exceed the highest standards of the industry for the type of Work being performed in the same geographic area.
- 7.2 Contractor shall thoroughly inspect all of its Work and Materials for quality and completion. Contractor shall schedule all inspections relative to its Work and shall perform any tests necessary, if required, to receive inspection approval. Contractor shall pay all re-inspection fees. In addition, Owner may from time to time hire third party inspectors, and Contractor shall cooperate with such inspectors and make corrective Work they require, at no additional cost to Owner.
- 7.3 Contractor shall promptly correct all Work which Owner, in its sole discretion, deems to be deficient or defective, or as failing to conform to this Agreement and Contractor shall bear all costs of correcting such rejected Work without any increase in the Work Price. Owner may nullify any previous approval of Work if it subsequently determines that the Work is defective or non-compliant. In addition, Contractor shall, within 1 business day after receiving notice from Owner, take down all portions of the Work and remove same which Owner rejects as unsound or improper, and Contractor shall make repair or replace all Work and/or Materials rejected, at Contractor's sole expense.
- Should Owner exercise any of its options, remedies or rights granted it pursuant to the terms of this Agreement, in the event of any material failure of performance or breach by Contractor, Owner at its sole election may, but shall not be obligated so to do: (a) use any Materials, supplies, tools or equipment on the jobsite that belong to Contractor to complete the Work required to be completed by Contractor, whether such Work is completed by Owner or by others, and Contractor agrees that it shall not remove such Materials, supplies, tools and equipment from the jobsite unless directed in writing by Owner to do so; (b) eject Contractor from the jobsite; and/or (c) enforce any or all of the agreements that Contractor has with Contractor's Agents, true and complete copies of which (including all modifications and change orders) shall be provided immediately upon Owner's request. In exercising its rights under this Section 8.4(c), Owner shall only be acting as the authorized agent of Contractor and Owner shall not incur any independent obligation in connection therewith.

#### 8. Labor Matters.

- 8.1 In the performance of Work under a Purchase Order, Contractor shall only employ qualified persons to perform Work on the Project, shall not employ any person, who is disorderly, unreliable or otherwise unsatisfactory, and shall immediately remove or replace any such person upon notice from Owner. In connection with performance of the Work, Contractor agrees not to discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, disability and/or any other protected class or status.
- 8.2 Contractor shall maintain labor harmony on the Project jobsite, and shall not employ any persons, means, Materials or equipment which may cause strikes, work stoppages or any disturbances of Contractor's Agents, Owner and/or any other Contractor or sub-contractor on the Project. Contractor shall perform Work with labor that is compatible with that of other Contractors performing work at the Project jobsite, and Contractor shall exercise all due diligence to overcome any strike or other labor dispute or action. Any strike or other labor difficulties shall not be considered a "Force Majeure Event" for the purposes of this Agreement, if such labor difficulties are caused by the action or inaction of Contractor.
- 8.3 Contractor is solely responsible for the verification of each of its employee's and Contractor's Agent's eligibility to work legally in the United States. Contractor represents and warrants that: (a) Contractor's employees and Contractor's Agents shall all be eligible to work legally in the United States, (b) Contractor will timely obtain, review and retain all documentation required by Applicable Law(s) to ensure that each of its employees and each of Contractor's Agents is eligible to work legally in the United States; (c) Contractor shall comply with all Applicable Laws and other governmentally required procedures and requirements with respect to work eligibility, including all verifications and affirmation requirements; and (d) Contractor shall not knowingly or negligently hire, use, or permit to be hired or used, any person not eligible to work legally in the United States in the performance of Contractor's Work.

#### 9. General Environmental Compliance

- 9.1 Contractor and Contractor's Agents shall fully comply with all applicable federal, state and local environmental and natural resource laws, rules and regulations. Contractor shall solely be responsible for and shall defend, protect, indemnify and hold Owner harmless from and against any and all claims, losses, costs, penalties, attorney and consultant fees and costs, and damages, including, without limitation, consequential damages, arising from or related to Contractor's or Contractor's Agents' failure to comply with any federal, state and local environmental and natural resource laws, rules and regulations, including ordinances and policies.
- 9.2 Contractor is solely responsible for the proper use, storage and handling of all Materials, including but not limited to potential pollutants, used in Contractor's and Contractor's Agents' Work, and for the generation, handling and disposal of all wastes resulting from Contractor's and Contractor's Agents' Work, in full compliance with all applicable federal, state and local laws, rules and regulations. In addition, Contractor shall immediately notify Owner if Contractor or Contractor's Agents generate more than 100 kilograms of hazardous waste in any one month onsite.
- 9.3 Contractor and Contractor's Agents must not cause any unpermitted impacts to wetlands, waters or designated protected areas, whether on or off the jobsite.
- 9.4 Contractor and Contractor's Agents must minimize any vehicle or equipment fueling, washing, maintenance or repair on the jobsite and such activities should not result in run-off or releases onto the ground or off the jobsite or into a storm water management or conveyance system.
- 9.5 Contractor will take immediate steps, at Contractor's sole expense, to remediate in full compliance with and to the full extent required by Applicable Laws, rules and regulations, any release or discharge by Contractor of any hazardous or other regulated substance, whether on or off the jobsite while acting on behalf of or within the scope of its Work for Owner.

/ FL - 02/2022

- 9.6 In the event that Contractor fails to correct any non-compliance with this Section after written notice from Owner, Owner may, without assuming any liability therefore, correct such non-compliance and charge the Costs of such correction to Contractor, through setoff of any amount which may be due Contractor under this or any other agreement, or otherwise, including, but not limited to repair and remediation Costs, and penalties and fines for noncompliance. In the event that there is not enough value of the Agreement remaining to allow the Owner to setoff against any sums due Contractor as a result of such non-compliance, then Contractor agrees to fully reimburse Owner the Costs of such correction immediately upon notice by Owner.
- 10. Storm Water Management.
- 10.1 Contractor shall comply with the Federal Water Pollution Control Act of 1972, as amended, (the "Clean Water Act" or "CWA"), and all federal, state and local laws, regulations, ordinances, and policies relating to storm water pollution, sedimentation control and erosion control. Owner, if applicable to the Work, in accordance with Paragraph 402(p) of the CWA, which establishes a framework for regulating storm water discharges under the National Pollution Discharge Elimination System ("NPDES") Program, has or will developed an erosion, sedimentation and storm water pollution control and prevention plan (a "SWPPP") for the Project in order to control erosion and storm water discharges and to prevent certain non-storm water discharges. Contractor and Contractor's Agents shall at all times comply with the NPDES Permit(s) and the SWPPP. Contractor shall solely be responsible for and shall irrevocably defend, protect, indemnify and hold Owner harmless from and against any and all past, present or future claims of any kind or nature, at law or in equity (including, without limitation, claims for personal injury, property damage or environmental remediation or restoration), losses, costs, penalties, obligations, attorney and consultant fees and costs, and damages, including, without limitation, consequential, special, exemplary and punitive damages contingent or otherwise, matured or unmatured, known or unknown, foreseeable or unforeseeable, arising from or in any way related to Contractor's or Contractor's Agents' failure to comply with the Clean Water Act, any federal, state and local laws, rules and regulations, including ordinances and policies, relating to storm water pollution and erosion and sedimentation control and/or the SWPPP as they may be applicable to the Work. Such failures shall constitute a material breach of this Agreement.
- Contractor shall designate a Contractor employee representative with authority from Contractor to oversee, instruct, and direct Contractor's employees and Contractor's Agents regarding compliance with the requirements of the CWA and any federal, state or local laws, regulations or ordinances relating to storm water pollution or erosion control and the requirements of the SWPPP for the Project. Prior to commencing Work at the Project or within a reasonable time after, the designated Contractor representative shall contact Owner's jobsite Project Manager to request information on storm water management at the Project. Contractor and Contractor's Agents shall review prior to commencing Work on the jobsite, and shall abide by at all times, all storm water and jobsite orientation materials and direction provided by Owner to Contractor, and as may be required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP, shall file all notifications, plans and forms required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP. Contractor is responsible for circulating information provided by Owner regarding storm water management to its employees and Contractor's Agents who will be working on the Project.
- 10.3 Contractor shall require Contractor's Agents to immediately notify Contractor and Owner of any source pollutants that Contractor's Agents intend to use on the jobsite that are not identified in the SWPPP, and shall require that each of Contractor's Agents on the Project immediately notify Contractor and Owner of any corrections or recommended changes to the SWPPP that would reduce or eliminate the discharge of pollutants and/or sediments from the jobsite. Further, neither Contractor nor any of Contractor's Agents shall discharge any prohibited non-storm water discharges to storm water systems or from the jobsite. If requested by Owner, Contractor shall annually or at the completion of the Work, certify that the Work was performed in compliance with the requirements of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP.
- 10.4 Contractor acknowledges that periodic changes may have to be made to the SWPPP during the progress of the Work, and Contractor shall at all times comply with, and shall require that Contractor's Agents at all

times comply with, the most current version of the SWPPP. Contractor and Contractor's Agents shall use best efforts to comply with the SWPPP practices and procedures, including, without limitation, the "best management practices," and Contractor shall implement "best management practices" to control erosion and sedimentation and to prevent the discharge of pollutants including sediments. Contractor shall ensure that all of Contractor's and Contractor's Agent's personnel are appropriately trained in the appropriate "best management practices", and trained to comply with the SWPPP and with all Applicable Laws and regulations.

- 10.5 Contractor shall immediately notify Owner if it observes, discovers and/or becomes aware of (i) any spill of any hazardous or toxic substance or material or other pollutants on the jobsite, (ii) any discharge of any hazardous or toxic substance or material or other pollutants into or on the jobsite which leaves the jobsite or is capable of being washed from the jobsite during a rain event, (iii) any failure by any party to comply with the requirements of the SWPPP, the Clean Water Act, and/or any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and (iv) any damage to or failure of a "best management practice" or any other stormwater or erosion control measure. Contractor shall retain all records relating to the SWPPP, the CWA, and any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and any and all violations of the same for a period of 5 years following completion of the Project, or longer as required by Applicable Law.
- Notwithstanding anything to the contrary contained herein, Owner shall have the right, but not the obligation, to immediately remedy any violation of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion and sedimentation control, and/or the SWPPP for which Contractor is responsible, without the necessity of providing Contractor with any notice or right to cure. Should Owner remedy any such violation, Owner shall have the right to back-charge Contractor for the Costs to remedy the violation. Conversely, Owner shall have the right, in Owner's sole and absolute discretion, to require Contractor to reimburse Owner for the Costs incurred by Owner to remedy such violation and/or for fines or penalties paid for such violation, and unless Contractor reimburses Owner for such Costs within 10 days after receiving Owner's written request for payment of the same, Contractor will be in default of this Agreement, and Owner shall have all rights and remedies available to Owner as a result of a Contractor default. Nothing in this Section 11.6 shall limit or modify in any way Contractor's obligations or Owner's rights under Section 11.1.

#### 11. Liens/Waiver of Liens

- 11.1 Contractor will pay when due, all claims for labor and/or Materials furnished to the Project as part of the Work, and all claims made by any benefit trust fund pursuant to any collective bargaining agreement to which Contractor may be bound, to prevent the filing of any mechanics' lien, material suppliers' lien, construction lien, stop notice or bond claim or any attachments, levies, garnishments, or suits (collectively "Liens") involving the Project or Contractor. Contractor agrees within 5 days after notice, to take whatever action is necessary to terminate the effect of any Liens, including, but not limited to, filing or recording a release or lien bond. Contractor may litigate any Liens, provided Contractor causes the effect thereof to be removed from the Project, or any other of Owner's property or operations, by the proper means, including, but not limited to, Contractor's filing of a cash bond or surety bond as Owner may deem necessary.
- 11.2 Failure to comply with the requirements of Section 12.1 within a period of 5 days after notice from Owner of any Liens shall place Contractor in default and entitle Owner to terminate this Agreement upon written notice, and use whatever means it may deem best to cause the Liens, together with their effect upon the title of the Project, to be removed, discharged, compromised, or dismissed, including making payment of the full amount claimed without regard to the legitimacy of such claim, and the Costs thereof shall become immediately due and payable by Contractor to Owner.
- 11.3 If Owner receives any notice of any Liens pertaining to Contractor and/or Contractor's and/or Contractor's Agents' Work, Owner may withhold the payment of any monies to which Contractor would otherwise be entitled to receive, until such time that Owner has reasonable evidence that such Liens have been discharged.

- 11.4 If Contractor fails to pay and discharge when due, any bills or obligations of any kind or nature whatsoever incurred by Contractor by reason or in the fulfillment of this Agreement, whether or not Liens have been or may be placed or filed with respect thereto, which bills or obligations in the opinion of Owner are proper, Owner, at Owner's option but without being obligated to do so, may pay all or any part of such bills or obligations, for Contractor's account and/or Owner may, at its sole discretion, issue payment jointly to Contractor and the applicable third party. Any direct or joint payment is solely at the discretion of Owner and shall be deemed as a payment towards the obligations of this Agreement. Contractor hereby expressly waives and releases any claim and/or right of redress or recovery against Owner by reason of any act or omission of Owner in paying such bills or obligations, and nothing herein shall be deemed to mean Owner assumes any liability towards Contractor's suppliers, laborers or material suppliers.
- 11.5 Contractor shall pay to Owner upon demand all amounts that Owner may pay in connection with the discharge and release of any Lien, including all Costs related thereto.
- 11.6 Contractor intends to furnish Work and/or Materials in the construction, repair and/or replacement of improvements upon real property owned by Owner.
  - (a) Contractor represents and warrants that it has not assigned and will not assign any claim for payment or any right to perfect a Lien against said Work, real property, or the improvements thereon, to any third person, including without limitation any lender or factoring company. Contractor agrees that any such attempted assignment shall be invalid and not enforceable. Such attempted assignment shall be deemed a material default of Contractor's obligations under this Agreement. Contractor shall include substantially identical language to this Section in all subcontracts for Work and/or Materials.
  - (b) In addition to any notices required by Applicable Law, Contractor also agrees to provide Owner with advance notice before placing or filing any Lien against any real property upon which Work is performed and/or Materials are delivered, used and/or installed. Such notice shall be served on Owner in written form at least 10 business days in advance of the placement or filing of any Lien, or as much in advance of placement or filing of any Lien as is reasonably practical under Applicable Laws. If the potential Lien issue is still not resolved, then 3 business days in advance of the placement or filing of any Lien, Contractor shall make reasonable efforts to contact Owner's Vice President of Finance via telephone and email.

#### Warranties; Warranty Work and Performance Standards.

- 11.7 Contractor warrants and guarantees that: (a) all Materials incorporated into the Project, except Materials provided by Owner, shall meet or exceed the requirements of all Applicable Laws and shall be new, of good quality and free of Liens, security interest, claims or encumbrances; and (b) all other Materials, except Materials provided by Owner, used by Contractor in the performance of any Work, and all Work, shall meet or exceed the requirements of all Applicable Laws.
- 11.8 Contractor warrants that the Work and all Materials, except Materials provided by Owner, incorporated into the Project shall be and remain free from defects or flaws from (a) the date of Owner's acceptance of the Work or (b) any express, implied or other warranty for the Work and/or Materials required by Applicable Law (the longer of (a) and (b), the "Warranty Period"). In addition, upon Owner's acceptance of the Work, Contractor shall deliver and transfer to Owner any and all Materials manufacturer's warranties. The warranties and guarantees contained herein shall in all cases survive termination of this Agreement and shall apply to both patent and latent defects in workmanship and materials.
- 11.9 If during the applicable Warranty Period, the Work and/or Materials, except Materials provided by Owner, do not comply with the warranties set forth in this Section and/or elsewhere in the Agreement, then Contractor shall promptly repair the Work or replace such Materials, at Contractor's sole cost and expense for all associated Materials and labor, within 48 hours after notice to do so, or within 3 hours after notice in the event of any emergency. Owner, in its sole and absolute discretion, shall determine whether an emergency exists, which generally includes, but is not necessarily limited to, those conditions involving the risk of harm

/fL - 02/2022

to persons or property. Repairs and replacements shall be made in a diligent first-class manner with as little inconvenience as possible to Owner. Contractor shall clean up thoroughly after repairs are completed. Neither repairs nor replacements shall be deemed to be complete until the defect or nonconformity has been permanently corrected. Contractor shall reimburse Owner for any damages and/or for any reasonable Costs incurred as a result of the inconvenience or loss of use which is caused by the defect, non-conformity or the repairs and/or replacements. In the event Contractor fails or refuses to timely fulfill any of its warranty obligations, Owner, may repair or replace the applicable Work or Materials and Contractor shall reimburse and pay Owner, for all Costs related thereto, on demand.

- 11.10 If the Work and/or Materials, except Materials provided by Owner, are determined by Owner to be defective or otherwise non-conforming after the expiration of the Warranty Period but before the expiration of the applicable statutory limitation period and/or statutory repose period, Owner, in its sole and absolute discretion, shall have the right to request that Contractor repair and replace any Work and Materials furnished by Contractor pursuant to this Agreement. Contractor shall use commercially reasonable efforts to promptly perform such repair and replacement at Contractor's sole cost and expense for all associated Materials and labor. If Contractor performs any such repair and/or replacement after the expiration of the Warranty Period and after the expiration of the applicable statutory limitation period and statutory repose period, Owner shall compensate Contractor for such repair and/or replacement activities at the then current reasonable market rates. The provisions of this Section shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor.
- 12. Notice and Opportunity to Repair Statutes. Contractor agrees to cooperate with Owner in connection with any matters relating to any applicable notice and opportunity to repair statutes. If Contractor fails or refuses to cooperate in that process, Owner will have the right to correct any defective Work, and Contractor shall, upon demand, immediately reimburse Owner for all Costs incurred responding to and/or correcting any such defective Work.

#### 13. Relationship Management.

- Each party shall designate an individual to serve as its "Authorized Representative" under this Agreement, which initially shall be those individuals identified on the first page of this Agreement. Each party's Authorized Representative shall serve as the principal point of accountability for coordinating and managing that party's obligations. Either party may assign a replacement individual to serve as an Authorized Representative from time to time, provided that the party assigning a replacement gives 30 days advance notice (or as much advance notice as is possible under the circumstances, if less than 30 days) of the replacement individual.
- Each party shall reasonably cooperate with the other party in connection with its obligations under this Agreement. Such cooperation shall include informing the other party of all management decisions that the party reasonably expects to have a material effect on the obligations required to be performed by that party under this Agreement.
- 13.3 Contractor shall maintain electronic communications with Owner via e-mail.
- 13.4 Contractor shall provide Owner with all reports, documentation and information as Owner reasonably requests to verify the performance of Contractor's obligations under this Agreement, including, without limitation, full reports of the progress of Work in such detail as may be required by Owner including any shop drawings, as-built drawings and/or diagrams in the course of preparation, process, fabrication, manufacture, installation or treatment of the Work and/or Materials.
- Contractor represents and warrants that it: (a) shall perform its obligations and deal with Owner in good faith and with fair dealing; (b) shall conduct its business in a manner that reflects favorably on Owner; (c) shall not engage in any deceptive, misleading, illegal or unethical business practices; (d) has not and shall not, directly or indirectly, request, induce, solicit, give and/or accept any bribe, kickback, illegal payment and/or excessive gifts or favors to or from Owner or any Owner employee, and/or any third party acting on Owner's behalf; and/or (e) has not engaged in and shall not engage in any anticompetitive behavior, price fixing and/or

//FL - 02/2022

any other unlawful restraints of trade. Contractor shall immediately provide written notice to Owner of any of the foregoing upon Contractor's becoming aware of the same.

13.6 To the extent permissible under Applicable Law or agreement, Contractor shall notify Owner in writing promptly of: (a) any litigation, mediation and/or arbitration brought against Contractor related to Work performed and/or Materials supplied by Contractor under any Purchase Order; (b) any actions taken or investigations initiated by any governmental agency in connection with the Work performed and/or Materials supplied by Contractor under any Purchase Order; (c) any legal actions initiated against Contractor by governmental agencies or individuals regarding any illegal activities, including, but not limited to, fraud, abuse, false claims and/or kickbacks; (d) any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event. Upon Owner's request, and to the extent permissible under Applicable Law or agreement, Contractor shall provide to Owner all known details of the nature, circumstances, and disposition of any of the foregoing.

#### 14. Goals, Continuous Improvement and Quality.

- 14.1 Contractor acknowledges that Owner's long term goals may include: (a) shortening build-times for the Project; (b) increasing flexibility; (c) achieving ongoing cost reductions; and (d) achieving specific quality goals and continuous quality improvement. Contractor agrees to cooperate with Owner in working toward achieving these goals, which includes, without limitation, the obligations set forth in this Section.
- 14.2 Contractor understands that Owner's selection of Contractor as a provider of Work is based in part on Owner's belief that Contractor is committed to continuing to improve its performance of Work and to find cost savings over the term of this Agreement. Savings may relate to development and implementation of manufacturing efficiencies, feature improvements, component purchase price reductions, engineering breakthroughs and/or delivery and distribution enhancements that result in lower cost of Work and/or operating expenses for Contractor and/or Owner. To this end, Contractor shall use commercially reasonable efforts to continuously improve the performance and quality of Work, to assist Owner in achieving costs savings associated with Work, and to reduce Contractor's costs of performing Work, through increases in efficiency and otherwise.
- 14.3 If Contractor fails to perform Work properly, as determined by Owner in its sole and absolute discretion, Contractor shall promptly put into place a written corrective action plan, reasonably acceptable to Owner, designed to ensure that Contractor will perform Work properly going forward.

#### 15. Prices and Payment.

- 15.1 Contractor will perform Work at the Work Prices. Work Prices, Materials prices and/or other billing amounts shall not exceed the prices agreed to between the parties, without the prior written consent of Owner. In addition, if Owner has an agreement for direct pricing with a manufacturer and/or supplier of Materials, prices for such Materials shall be passed through to Owner at Contractor's cost (i.e., without mark-up) and shall in no event exceed any prices agreed to between Owner and the applicable Material manufacturer and/or supplier. Contractor agrees that any price reduction applicable to the ordered Work and/or Materials subsequent to the Agreement date, but prior to delivery, shall be applicable to the Agreement.
- 15.2 Owner shall designate the methodology for payment to Contractor.
  - (a) If Contractor is instructed to submit invoices to Owner, then Contractor will remit invoices, and Owner will pay such invoices within 30 days of approval by Owner An invoice date shall be no earlier than the date the Work, or applicable portion thereof, is completed. All invoices must be submitted by Contractor within 30 days of its completion of the Work, or applicable portion thereof. Invoices received after 90 days of the completion of the Work, or applicable portion thereof, shall be null and void. Owner shall not be liable for any charges associated with the Work and/or

Materials represented by such delinquent invoices, and Contractor hereby expressly waives its right to receive any payment in connection, any such delinquent invoices.

- (b) Contractor agrees to notify Owner within 5 business days if Contractor has not received payment in full within 30 days of payment becoming due under Section (a) above.
- (c) The Owner is entitled to retain ten percent (10%) of the value of the Work billed by Contractor as assurance that full faithful performance of the work and other obligations shall be completed by Contractor (hereinafter referred to as the "Retainage"). All applications for payment shall have Retainage held. Any retainage held by Owner shall be paid to the Contactor at the time of final payment.
- As a condition to any payment to be made by Owner to Contractor, Owner may, at its option, require Contractor to furnish to Owner: (a) full and complete Lien waivers, in a form acceptable to Owner, executed by Contractor and all Contractor's Agents utilized by Contractor in performing the applicable Work and/or supplying Materials in connection with the applicable Work, as well as any other information and documentation requested by Owner with respect to Work and/or Materials covered by the applicable invoice; and (b) a current sworn statement from Contractor attesting to all Contractor's Agents, the amount of each subcontract and/or contract with Contractor's Agents, the amount requested for any Contractor's Agent in the invoice, the amount the Contractor has paid to each Contractor's Agent, and the amount to be paid the Contractor under the invoice.
- 15.4 No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement, either in whole or in part, and no payment shall be construed as acceptance of defective Work.
- Contractor agrees that amounts owed under any portion of this Agreement are subject to offsets by Owner in the event of: (a) Contractor's breach(es) of this Agreement; (b) any damages caused by Contractor; (c) any Liens or other claims arising out of the Work and/or Materials; (d) any Costs or anticipated Costs of curing defective Work and/or Materials and/or any other amounts expended by Owner in connection therewith; (e) Contractor's breaches of other agreements between Contractor and Owner and/or its Affiliates; (f) any Liquidated Damage Amounts due from Contractor; and/or (g) claims or amounts due to Owner and/or its Affiliates, regardless of whether arising out of this Agreement or otherwise. Contractor further agrees that should Owner have reason to terminate this Agreement as a result of Contractor's failure to comply with the terms and conditions of this Agreement then Owner and/or its Affiliates shall have the right, in their sole discretion, to terminate any other agreements between Contractor and Owner and/or its Affiliates.
- 15.6 In the event Contractor breaches this Agreement, Owner shall have the right to stop all payments to Contractor until such time as Owner can accurately ascertain its damages and Costs resulting from the breach, at which time Owner is authorized to deduct all Costs related thereto from any monies owed Contractor under this Agreement and/or other agreements with Owner.
- 15.7 Contractor shall not delay and/or stop any Work by reason of Owner' failure to make any payments if the failure is a result of a dispute as to the amount of the payment or whether payment is due.
- 15.8 Notwithstanding anything herein to the contrary, Contractor shall not make any adjustments to the prices set forth in the Agreement without providing Owner a minimum 60 days' prior written notice. Further, Contractor acknowledges and agrees that any such increases, if accepted by Owner, shall not be effective until the 60 day time period has expired and any such increases shall be applicable only to new, fully agreed upon change orders issued after such increases become effective.
- 15.9 If, during the term of this Agreement, Contractor offers Work to any other developer at prices and/or on terms more favorable than offered to Owner, then Contractor shall immediately offer those same prices and/or terms to Owner. It shall not be incumbent on Owner to discover the same. In addition, any Work Price decreases agreed to between the parties shall apply to all Work on or after the effective date of the decrease.

J EL - 02/2022

- 15.10 Acceptance by Contractor of any payment shall be a complete and final release of any and all claims the Contractor has or may have related to, concerning or arising out of this Agreement up to and through the time period of work included in the invoice, including but not limited to extra work, delays and change orders except only those claims that are specifically identified in writing and attached to the invoice.
- 15.11 Owner may order or propose changes in the Work consisting of additions, deletions or other revisions with the Agreement amount and time being adjusted accordingly. All such changes in the Work shall be by a written change order or written modification of the Contract signed by all parties. Owner may, by a written directive issued and signed by Owner's authorized representative, direct Contractor to proceed with changes in the Work, prior to the issuance of a change order. Upon receipt of a written directive from Owner, Contractor shall proceed with the Work.
- 15.12 Contractor shall submit to the Owner a written detailed estimate of the cost of performing the ordered or proposed changes to the Work to include quantities, unit prices, labor rates, manufacturer's and supplier's quotations and all other information required by Owner for a complete analysis of the estimate. If the proposed change affects the length of time Contractor requires to complete its Work, Contractor shall set forth, in writing, the amount of any justifiable time increase in its proposal. Contractor's proposal shall be submitted to Owner within 10 working days of its receipt of the request from Owner.
- 15.13 Any and all claims for time or money must be presented to Owner, in writing, within 5 working days after the occurrence of the event giving rise to such claim. Failure by Contractor to present such claim in writing within 5 working days after the occurrence shall be deemed a waiver of such claim and the Contractor shall be barred from pursuing such claim against Owner.
- 15.14 Contractor shall forward all documents requested by Owner regarding any claim, including but not limited to job cost reports, daily reports, foreman daily reports and diaries, Contractor's complete estimate, invoices, subcontracts, purchase orders, equipment documents (list of company owned, rented or other equipment used), rental charges, job costing of company owned equipment and general ledger.
- 15.15 No dispute as to adjustment of the Agreement amount or time for changed Work, shall excuse Contractor from proceeding with such changed Work that has been duly authorized by Owner.
- 15.16 Contractor waives any claims for consequential damages, including but not limited to, claims for principal office expenses including compensation of personnel stationed there, for loss of financing, business and reputation, lost profits and loss of bonding capacity.
- 16. Inspections and Reviews. Owner and its agents shall have the right to inspect all Contractor Materials, facilities, Project jobsites and surrounding areas, to confirm Contractor's compliance with the requirements of this Agreement, as well as background OSHA and Experience Modification Factor checks. No inspection or failure to inspect by or on behalf of Owner will increase Owner's obligations or liabilities nor limit Owner's rights or Contractor's obligations.

#### 17. Indemnification.

To the maximum extent permitted by law, Contractor, on behalf of itself and its employees, officers, representatives, materialmen, laborers, contractors, Contractors, sub-contractors, and any other parties acting at the direction of Contractor (collectively, "Contractor Entities") hereby agrees to save, indemnify, defend and hold harmless (such action, the "Indemnity") Owner and their parents, Affiliates, subsidiaries, officers, directors, managers, agents, contractors, materialmen, laborers, representatives, employees, successors and assigns (collectively, the "Indemnitees"), from and against any and all liability, costs and damages of any kind whatsoever (including without limitation loss of profits, consequential damages, and/or punitive damages) sustained by the Indemnitees as a result of the activity or inactivity (the "Covered Activity") of Contractor Entities, including without limitation activity or inactivity that constitutes one or more of the following conditions: (i) a material violation of the terms of this Agreement, (ii) willful misconduct, (iii) fraud, (iv) material misrepresentation, (v) negligence, and (vi) deficient and/or defective workmanship

// EL - 02/2022

(including without limitation the installation of deficient and/or defective materials). The parties hereto acknowledge that the Indemnity is intended to be as broad as permissible under Applicable Law or regulation. Contractor shall defend all suits brought against the Indemnitees, at its expense, regardless of the cause of such suits and regardless of any negligence (except gross negligence) on the part of the Indemnitees. Contractor shall reimburse upon demand Indemnitees for any expense sustained in connection with actions brought as a result of the Covered Activity. By way of illustration but not limitation, should the Indemnitees become liable in connection with being deemed the statutory employer of an individual acting under Contractor's direction, then Contractor shall indemnify, defend, and hold harmless the Indemnitees from any damages sustained in connection with being deemed the statutory employer. This indemnity obligation includes, without limitation, expenses (including attorney's fees) claims, judgments, suits, or demands for damages to persons or property arising out of, resulting from or relating to Contractor's performance of the Work under this Agreement or Contractor's breach of this Agreement ("Claims") unless such Claims have been specifically determined by the trier of fact to be solely the result of the gross negligence or intentional acts of Owner. Contractor's duty to indemnify Indemnitees shall arise at the time written notice of a Claim is first provided to Indemnitees regardless of whether claimant has filed suit on the Claim. In situations where it is determined by the trier of fact that Indemnitees are partially at fault for a Claim due to Indemnitees' gross negligence or intentional misconduct, Contractor's obligation to fully indemnify Indemnitees shall be limited to a maximum liability of \$2,000,000. Contractor's indemnification obligation shall include, but not be limited to, any Claim made against Indemnitees by a Contractor's Agent who has been injured on property owned by Indemnitees. This provision shall be deemed to be a part of the Project specifications. Nothing in this Agreement shall be construed to require Contractor to defend or indemnify Owner for any Claims resulting solely from Owner's gross negligence or intentional acts.

- 17.1 Contractor will defend Claims that may be brought or threatened against Indemnitees and will pay on behalf of Indemnitees any expenses incurred by reason of such Claims including, but not limited to all reasonable costs which may include court costs, expert costs and attorney fees incurred in defending or investigating such Claims. Such payment on behalf of Indemnitees shall be in addition to any and all other legal remedies available to Indemnitees and shall not be considered Indemnitees' exclusive remedy.
- 17.2 In the event Indemnitees are required to mediate, arbitrate, or litigate a Claim (which may or may not be with a homeowner) arising out of or relating to the Work performed under this Agreement, Indemnitees may, in its sole discretion, require Contractor to participate in such mediation, arbitration, and/or litigation. If the Claim is resolved through arbitration, any judgment rendered by the arbitrator(s) may be confirmed, entered and enforced in any court having jurisdiction and the Contractor shall be bound by that decision.
- 17.3 The provisions of this Section 19 shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor and shall continue until such time it is determined by final judgment that the Claim against Indemnitees is fully and finally barred by the statute of limitations. Contractor's indemnification and defense obligations shall not be limited by the amounts or types of insurance that Contractor is required to carry under this Agreement or that Contractor does in fact carry.

In the event that such court of competent jurisdiction finds that any state statutory indemnity limits apply to this Agreement with respect to Contractor's indemnification of Owner for liability caused in whole or in part by any act, omission or default by Owner, the parties hereto agree that such limit shall be equal to the limits (exclusive of deductibles) of the applicable insurance required by this Agreement. The parties acknowledge and agree that this monetary limit, if required, bears a commercially reasonable relationship to this Agreement, in so far as, among other factors, the parties have taken into account the availability and cost of insurance and other risk transference devices, the scope of the Work, the risks associated with the Work, and the compensation and any other benefits exchanged between the parties in connection with this Agreement. The parties further agree that this provision is hereby made a part of the Project specifications and bid documents.

18. Insurance. Contractor shall carry, with insurance companies rated A VII or better by A.M. Best Company, the insurance coverage specified in Exhibit E continuously during the life of this Agreement, and thereafter as provided in Exhibit E. Contractor must furnish the Owner with Certificates of Insurance reflecting

// FL - 02/2022

coverage as described below at least 7 days <u>before</u> starting any Work, giving evidence that Contractor is carrying all of the insurance required in Exhibit E.

#### 18.1 Insurance and Indemnity of Contractor's Agent(s).

- (a) If Contractor should subcontract any Work, Contractor shall nevertheless be bound to indemnify Owner as provided in this Agreement on behalf of Contractor's Agent(s). In addition, Contractor shall require that Contractor's Agent(s) also be bound to indemnify Owner as provided in this Agreement. Contractor represents and warrants that Contractor's Agent(s) shall carry insurance as set forth in this Agreement prior to permitting Contractor's Agent(s) to commence its work.
- (b) Contractor shall require in its purchase orders that its suppliers indemnify Contractor and Owner from all losses arising from any materials or supplies included in any Work.
- (c) Contractor shall require the same insurance coverage required of Contractor from any sub-Contractors performing any portion of Contractor's work. Notwithstanding anything to the contrary herein contained, each party hereby waives all claims for recovery from the other party for any loss or damage to its property caused by fire or other insured casualty and agrees that where there is insurance coverage that the insurance coverage shall be the only avenue of recovery. This waiver shall apply, however, only where the insurance covering the loss or damage will not be prejudiced by reason of such waiver.

#### 18.2 Miscellaneous Insurance Provisions.

- (a) Any attempt by the Contractor to cancel or modify insurance coverage required by this Agreement, or any failure by the Contractor to maintain such coverage, shall be a default under this Agreement and, upon such default, Owner will have the right to immediately terminate this Agreement and/or exercise any of its rights at law or at equity. In addition to any other remedies, Owner may, at its discretion, withhold payment of any sums due under this Agreement until Contractor provides adequate proof of insurance.
- (b) The amounts and types of insurance set forth above are minimums required by Owner and shall not substitute for an independent determination by Contractor of the amounts and types of insurance which Contractor shall determine to be reasonably necessary to protect itself and its Work.
- Owner reserves the right to modify these insurance requirements, and if Contractor continues to perform Work, Contractor agrees to be bound by such modifications 30 days after receipt of the modified provisions.

#### 18.3 Compliance with this Section.

- (a) Contractor acknowledges that timely compliance with this Section and Exhibit E is essential to Owner's risk management. As such, if Contractor fails to comply with any of its obligations under this Section 20 and Exhibit E, Contractor shall be in default of this Agreement and Owner shall have all rights under this Agreement with respect to Contractor's default. Additionally, Owner shall be entitled to (i) withhold any and all payments due to Contractor until Contractor cures such non-compliance, and (ii) assess a service credit in the amount of \$500.00 for each instance of Contractor's non-compliance. Service credits shall be credited against the Contractor's next invoice payable by Owner hereunder. Notwithstanding the foregoing service credit, Contractor shall be required to protect and indemnify Owner and all Indemnitees (as defined in Section 19 of this Agreement) to the fullest extent provided in this Agreement.
- 19. Confidentiality. During the term of this Agreement, Contractor may have access to information that is considered confidential and proprietary by Owner. This information may include, but is not limited to, non-public information relating to prices, compensation, research, products, services, developments, inventions,

processes, protocols, methods of operations, techniques, strategies, programs (both software and firmware), designs, systems, proposed business arrangements, results of testing, distribution, engineering, marketing, financial, merchandising and/or sales information, individual customer profiles, customer lists and/or aggregated customer data, and similar information of a sensitive nature ("Confidential Information"). Contractor may use Confidential Information only for the purposes of this Agreement. Contractor shall maintain the confidentiality of Confidential Information in the same manner in which it protects its own Confidential Information of like kind, but in no event shall Contractor take less than reasonable precautions to prevent the unauthorized disclosure or use of Confidential Information. Upon request, Contractor shall return all Confidential Information and shall not use Confidential Information for its own, or any third party's benefit. The provisions of this Section shall survive termination of this Agreement for so long as the Confidential Information is considered confidential by Owner and/or its Affiliates.

#### 20. Term and Termination.

- 20.1 This Agreement shall be effective on the Effective Date and continue until terminated in accordance with its terms. In the event that Contractor terminates this Agreement in accordance with the terms set forth herein, Contractor nevertheless shall complete all outstanding Work in accordance with the terms of this Agreement.
- 20.2 Contractor may terminate this Agreement if Owner commits a material breach of this Agreement, or any Agreement document, and fails to cure such breach within 30 days of its receipt of written notice of the breach from Contractor. However, any dispute over amounts claimed to be owed shall be resolved in accordance with the dispute resolution provisions of this Agreement and shall not serve as a basis for Contractor to place Owner in default hereunder and in such event, Contractor shall continue to perform its Work under the terms of this Agreement.
- Owner shall have the right to terminate this Agreement with or without cause, effective immediately upon notice to Contractor or as otherwise set forth in such notice. A termination "for cause" includes, but is not limited to, circumstances where: (a) Contractor fails to comply with this Agreement; (b) Contractor repudiates any of this Agreement; (c) Owner is insecure and requests assurances of Contractor's ability or willingness to perform and Contractor fails to provide written assurances satisfactory to Owner within the time requested by Owner; (d) in the event of any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event; (e) Contractor refuses or neglects to supply a sufficient quantity of Work of proper quality, as determined by Owner; (f) Contractor fails to make prompt payment to Contractor's Agents for Materials or labor; (g) Contractor violates any Applicable Law; (h) causes interference, stoppage, or delay to the Project or any activity necessary to complete the Project; and/or (i) Contractor is listed by the administrative office of an applicable employee benefit trust, including by way of illustration but not of exclusion, health, welfare, pension, vacation or apprenticeship trust, as being delinquent in the payment to any such trust, regardless of the construction project upon which delinquency occurred.
- Owner's total liability to Contractor upon termination of this Agreement without cause shall be limited to any remaining payment for completed Work, including any retainage, delivered and accepted by Owner. In no event shall Contractor be entitled to any indirect costs, delay damages, consequential damages, lost profits, overhead, acceleration damages or any other compensation. However, in the event that Owner terminates any this Agreement for cause, Owner may, after giving Contractor notice of default and 3 calendar days within which to cure, have the right to exercise any one or more of the following remedies:
  - (a) Owner may immediately take any action Owner may deem necessary to correct such default, including specifically the right to provide labor, overtime labor, materials, equipment and/or other Contractors, and Contractor shall reimburse and pay Owner for all Costs incurred or paid by Owner resulting therefrom, or Owner may deduct the cost of correcting such default plus a markup of 10% for overhead and 10% for profit from any payment due, or that may become due, to the Contractor;
  - (b) Owner may terminate this Agreement and the employment of Contractor, without thereby waiving or releasing any rights or remedies against Contractor or its sureties, and take possession of the Contractor's materials, tools, equipment, designs, shop drawings, and work product used in

// FL - 02/2022

performing its Work, and employ another Contractor or use the employees, equipment, designs, shop drawings and work product of Contractor to finish the remaining Work to be performed hereunder. Owner may deduct the costs of completing the remaining work plus a markup of 10% for overhead and 10% for profit from the unpaid Agreement price, and if the cost of completing the remaining Work exceeds the Agreement amount, Contractor shall pay to Owner such excess costs, including attorney's fees;

- (c) Recover from Contractor all losses, damages, penalties and fines, whether actual or liquidated, direct or consequential (including without limitation any increase in Owner's cost of insurance resulting from Contractor's failure to maintain insurance coverages required hereunder), Owner's additional/extended general conditions costs and all attorneys' fees suffered or incurred by Owner by reason of or as a result of Contractor's default plus a markup of 10% for overhead and 10% for profit on all costs incurred by Owner to correct such default;
- (d) Require Contractor to utilize, at its own expense, overtime labor (including Saturday and Sunday work) and additional shifts as necessary to overcome the consequences of any delay attributable to Contractor's default;
- (e) Refrain from making any further payments under this Agreement to Contractor until the entire Project shall be fully finished and accepted by the Owner. After completion of the Work by the exercise of any one or more of the above remedies and acceptance of the Work by the Owner, Owner shall promptly pay Contractor any undisbursed balance of the Agreement, if any. If the cost of completion of the Work plus a markup of 10% for overhead and 10% for profit, together with any other damages or losses sustained or incurred by Owner, shall exceed the un-disbursed balance of the Agreement, Contractor and its guarantors, surety, or sureties shall pay the difference within 15 days of written demand from Owner.
- 20.5 Should any termination for cause under this Agreement be deemed invalid, wrongful or improper, such termination for cause shall be deemed a termination without cause as set forth above and Contractor's rights and remedies against Owner shall be limited as set forth above.
- 20.6 If Contractor neglects to perform the Work in accordance with the Agreement and/or as directed by Owner and fails within 3 calendar days from the date of written notice from Owner to correct such deficiency, Owner may, without declaring Contractor in default and without prejudice to any other remedies the Owner may have, correct such deficiencies. In such case, an appropriate deductive change order shall be issued for all costs incurred by Owner in carrying out such work, including but not limited to attorneys' fees. If the remaining Agreement balance is not sufficient to cover such costs, Contractor shall pay the difference to Owner
- 20.7 Upon expiration or termination of this Agreement for any reason, Contractor will, at Owner's request, continue to provide Work pursuant to the terms of this Agreement, and provide reasonable transition assistance services to prevent disruption in Owner's business activities, for a period of up to 6 months after the termination date, at Owner's discretion. However, at Owner's request, Contractor will promptly vacate the jobsite(s), remove all Contractor equipment from the jobsite(s), complete all of Contractor's clean-up and other obligations, and otherwise reasonably cooperate with Owner in winding down Contractor's participation in the Project. Should Contractor fail to promptly vacate the jobsite(s), Owner may take possession of the premises and of all materials, tools and equipment thereon, and finish the work by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the work is finished. If the unpaid balance of the contract price shall exceed the expense of finishing the work, including compensation for additional managerial and administrative expenses, such excess shall be paid to the Contractor. If such expense shall exceed such unpaid balance, the Contractor shall pay the difference to the Owner upon demand.
- 20.8 All provisions of this Agreement which by their nature should survive termination of this Agreement shall so survive termination of this Agreement, including, without limitation, those provisions related to confidentiality, warranty, arbitration, indemnification and limitations of liability.

- 21. Limitation of Liability and Waiver of Consequential Damages. In no event shall Owner be liable to Contractor in connection with this Agreement and/or the Work, regardless of the form of action or theory of recovery, for any: (a) indirect, special, exemplary, consequential, liquidated, incidental or punitive damages, even if Owner has been advised of the possibility of such damages; and/or (b) lost profits, lost revenues, lost business expectancy, business interruption losses and/or benefit of the bargain damages.
- 22. Force Majeure. Subject to the terms of this Agreement, neither Party shall be liable for any failure or delay in performing its obligations hereunder during any period in which such performance is prevented or delayed by any Force Majeure Event.
- 23. Independent Contractor Relationship. The relationship between Owner and Contractor is that of an independent contractor. Nothing in this Agreement shall be construed as creating a relationship between Owner and Contractor of joint venturers, partners, employer-employee, or agent. Neither party has the authority to create any obligations for the other, or to bind the other to any representation or document.
- 24. Continued Performance. Each party shall continue performing its obligations under this Agreement while any dispute submitted to litigation or any other dispute resolution process is being resolved until such obligations are terminated by the expiration or termination of this Agreement or by a final and binding award, order, or judgment to the contrary. Notwithstanding the preceding sentence, however, neither party shall withhold any payments due to the other party under this Agreement during the pendency of any other dispute resolution process, including mediation, unless such payments relate to or are the subject matter of such proceedings, or are otherwise subject to dispute, or withholding of such payment is otherwise permitted by this Agreement.
- 25. Publicity. Contractor shall not use any Owner trademarks, service marks, trade names and/or logos or refer to Owner and/or its Affiliates directly or indirectly in any marketing materials, customer lists, media release, public announcement or other public disclosure relating to this Agreement or its subject matter without obtaining Owner's prior express written consent.

#### 26. General Terms.

- 26.1 Contractor hereby consents and agrees to allow Owner (or Project Owner and any of their Affiliates), in their sole discretion and judgment, to set-off any of Owner's (or any of their respective Affiliates') existing or anticipated claims for damages or deficiencies resulting from Contractor's Work on the Project against any funds due, or which may become due to Contractor for Work performed on another project pursuant to another agreement with Owner (or any of their respective Affiliates). No refusal or failure of Owner to exercise its rights hereunder shall constitute the basis of any right or claim against Owner.
- Where agreement, approval, acceptance, consent or similar action by either party is required by any provision of this Agreement, such action shall not be unreasonably delayed or withheld unless otherwise expressly permitted.
- All warranties provided by Contractor, and all of Owner's rights and remedies set forth in this Agreement, are cumulative and are in addition to all other warranties, rights and remedies provided to Owner by this Agreement, all Purchase Orders, any other document, or at law, in equity or otherwise, including all warranties, rights and remedies under the Uniform Commercial Code.
- 26.4 The parties agree that, except as otherwise specifically provided for in this Agreement: (a) this Agreement is for the benefit of the parties to this Agreement and is not intended to confer any rights or benefits on any third party (including any employee of either party) other than the Indemnitees; and (b) there are no third-party beneficiaries to this Agreement or any specific term of this Agreement, other than the Indemnitees.
- 26.5 This Agreement, all of the Agreement Documents, and any Amendments thereto, contain the entire understanding of the parties with respect to the subject matter addressed herein and supersede, replace and merge all prior understandings, promises, representations and agreements, whether written or oral, relating

A EX - 02/2022

thereto. Upon execution of this Agreement, and any renewal thereof, the terms of this Agreement shall apply to all then-outstanding Agreements between Owner and Contractor. Both parties contributed to the drafting of this Agreement, and had the advice of counsel, and therefore agree that this Agreement should not be construed in favor of either party. Except as expressly provided herein, the remedies accorded the parties under this Agreement are cumulative and in addition to those provided by law, in equity or elsewhere in this Agreement.

- 26.6 Except as expressly provided herein, this Agreement may not be modified except by a writing signed by both parties. All requests for amendments, modifications and/or changes to the terms and conditions of this Agreement ("Amendments") shall be communicated in writing to an authorized representative of the other party. All approved Amendments shall be formalized by an Amendment document executed by an authorized representative of each party.
- Any waiver of a party's right or remedy related to this Agreement must be in writing, signed by that party to be effective. No waiver shall be implied from a failure of either party to exercise a right or remedy. In addition, no waiver of a party's right or remedy shall effect the other provisions of this Agreement.
- 26.8 If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, such provision shall be enforced to the fullest extent that it is valid and enforceable under Applicable Law. All other provisions of this Agreement shall remain in full force and effect.
- 26.9 Except as otherwise provided herein, all notices must be in writing and sent either by hand delivery; messenger; certified mail, return receipt requested; overnight courier; facsimile; or by e-mail (with a confirming copy) and shall be effective when received by such party (as documented by a delivery receipt, confirmed facsimile transmission, or return e-mail acknowledging receipt) at the address listed above or other address provided in writing.
- 26.10 Neither party may assign this Agreement, in whole or in part, without the other party's prior express written consent, which shall not be unreasonably withheld or delayed. Any attempted assignment without such written consent shall be void. Notwithstanding the foregoing, Owner may assign this Agreement without Contractor's consent: (a) to one or more Affiliates, provided that each such Affiliate agrees to be bound by this Agreement; and (b) as reasonably necessary in connection with any merger, acquisition, sale of assets or other corporate restructuring. Subject to the provisions of this Section, this Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.
- 26.11 FOR THEIR MUTUAL BENEFIT, OWNER AND CONTRACTOR WAIVE ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS AGREEMENT

#### 26.12 Choice of Law, Arbitration and Venue

- a) All actions, claims, counterclaims, controversies, or disputes (each, a "Dispute") between Owner and Contractor arising out of or related to this Agreement, the Agreement Documents, or the Work, whether based on contract or tort, shall be decided by binding arbitration with the American Arbitration Association ("AAA") in West Palm Beach, Florida, in accordance with the Construction Industry Rules of the AAA then existing, but subject to the requirements and limitations set forth below. If AAA will not enforce the Agreement Documents as written, it cannot serve as the arbitration organization to resolve the Dispute. If this situation arises, the parties shall agree on a substitute arbitration organization. If the parties are unable to agree, the parties shall mutually petition a court of appropriate jurisdiction in West Palm Beach, Florida, to appoint an arbitration organization that will enforce the Agreement Documents as written.
- b) A single arbitrator will resolve the Dispute. The arbitrator will honor claims of privilege recognized by law and will take reasonable steps to protect all confidential or proprietary information. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party.
- c) The party filing for arbitration shall pay the initiation/filing fees and the arbitrator's costs and expenses. The parties shall each be responsible for additional costs they incur in the arbitration, including, but not limited to, fees for attorneys or expert witnesses. The prevailing party in the arbitration shall be entitled to recover

/ FL - 02/2022

as part of the final award all reasonable costs, including attorneys' fees and costs and fees for expert witnesses incurred in the arbitration. The arbitrator may re-allocate other fees and costs (but not the attorneys' and expert fees of the parties) among the parties to the proceeding in his or her discretion as the interests of justice dictate.

- d) This Agreement shall be construed according to the laws of the State of Florida. However, all Disputes shall be governed, interpreted and enforced according to the Federal Arbitration Act (9 U.S.C. §§ 1-16), which is designed to encourage use of alternative methods of Dispute resolution that avoid costly and potentially lengthy court proceedings. Interpretation and application of these procedures shall conform to federal court rulings interpreting and applying the Federal Arbitration Act. References to state law shall not be construed as a waiver of any rights of the parties under the Federal Arbitration Act or the right of the parties to have the procedures set forth in this Agreement interpreted and enforced under the Federal Arbitration Act. However, whenever such laws are not in conflict, the arbitrator shall apply the laws of the State of Florida. The arbitrator's award may be enforced in any court of competent jurisdiction sitting in and for Palm Beach County, Florida. The arbitrator shall have the authority to try and shall try all issues, whether of fact or law, including without limitation, the validity, scope and enforceability of these Dispute resolution provisions, and may issue any remedy or relief that the courts of the State of Florida could issue if presented the same circumstances.
- e) The arbitrator is required to enforce the terms of this Agreement. The arbitrator shall not be authorized to award any punitive damages or any other damages waived or prohibited under the terms of this Agreement.
- f) Prior to any arbitration, mediation and/or litigation arising under this Agreement, the parties shall each appoint a corporate officer (someone other than the project manager responsible for the Project) to meet to negotiate the claim/dispute. Such corporate officer shall have full settlement authority to resolve the claim/dispute. This settlement meeting shall be a condition precedent to the filing of any arbitration and/or litigation.
- g) THE PARTIES FURTHER AGREE THAT SHOULD ANY LITIGATION ARISE DIRECTLY OR INDIRECTLY UNDER THIS AGREEMENT, INCLUDING IF THE ARBITRATION DECISION MUST BE ENFORCED IN ANY COURT, THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL, AND THE PARTIES HEREBY STIPULATE THAT ANY SUCH TRIAL SHALL OCCUR WITHOUT A JURY.
- h) Discovery in any arbitration hereunder shall be limited to the following:
  - i. The production of each side's hard document project files as they are maintained in the ordinary course of business and any file index related to same with all such documents being produced in West Palm Beach, Florida;
  - ii. The production of each side's electronic documents provided that the party requesting such electronic documents shall be responsible to pay for all costs associated with such production, including attorneys' fees incurred in the review for privilege and relevance, third-party consultant fees and any other costs associated with such electronic production. The payment of all such costs is an express condition precedent to either side's right to any electronic production. These cost associated with obtaining electronic discovery shall not be taxed to the prevailing party as costs/fees and to the extent this conflicts with any provision in the AAA rules, this provision shall control;
  - iii. 3 fact depositions with one being a corporate representative under the Federal Rules of Civil Procedure if so requested with all such depositions to take place in West Palm Beach, Florida;
  - iv. The deposition of any experts that intend to testify at the arbitration hearing;
  - v. 30 days prior to any expert deposition, all experts that will testify at the final hearing shall provide a report containing all of his/her opinions and information/documents/facts relied upon in arriving at such opinions, along with a current resume;
  - vi. The issuance of third party subpoenas for documents. The other side shall be entitled to a copy of all documents provided in response to a third party subpoena provided that it has to pay for the copy cost but shall be entitled to use a third party to make such copies; and
  - vii. An itemized statement of damages with all supporting documents related to same. No other discovery shall be permitted by the arbitrator unless mutually agreed to by the parties.
- i) This Choice of Law, Arbitration and Venue provision shall survive the termination of this Agreement and/or completion of the Work required hereunder.

Owner may offset or back-charge these Costs against any amounts that may otherwise be due from Owner to Contractor, whether under this Agreement or under any other agreement between Owner and Contractor now or hereafter existing. Although Owner has the right to do so, Owner has no obligation (and does not commit or assume) to monitor compliance with OSHA Regulations by Contractor (and Contractor's Agents and employees). Owner's failure to assess Costs against Contractor for violations of OSHA Regulations or of the Project jobsite rules and regulations related to safety established by Owner shall in no way waive any of Owner's rights and remedies available under this Agreement or otherwise. Furthermore, failure to comply with this Section is a default by Contractor, giving Owner the right to exercise any remedies (including termination, penalties and fines) available under this Agreement.

CONTRACTOR shall comply with all applicable laws, statutes, regulations and codes, including without limitation those relating to anti-bribery and anti-corruption, including without limitation the Foreign Corrupt Practices Act of 1977 and Bribery Act 2010, each as amended (the "Relevant Requirements"). At any time when requested by the Owner, Contractor shall certify in writing that Contractor is and at all times has been in compliance with all Relevant Requirements. The Owner may terminate this Agreement immediately by giving written notice to Contract if Contractor is, or Owner reasonably suspects that Contractor, is not in compliance with the Relevant Requirements.

1. Parties; Effective Date. This Contractor Agreement ("Agreement") is between the above-identified Owner and Contractor, and is effective on the Effective Date set forth above. The above-identified Owner shall be deemed a third party beneficiary of this Agreement with respect to any provision of this Agreement that benefits Project Owner. For the purposes of this Agreement, "Affiliate" means any person or entity that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with Owner or Contractor. As used in this definition "control" (including, with correlative meanings, "controlled by" and "under common control with") shall mean possession, directly or indirectly, of power to direct or cause the direction of management or policies (whether through ownership of securities or other

ownership interest, by contract or otherwise). Owner and Contractor shall collectively be referred to in this Agreement as the "Parties".

### See Schedule "1" for All Plans Specifications

### Purpose of Agreement.

- This Agreement is a "LUMP SUM" Agreement and sets forth the terms under which Owner may request and Contractor shall provide, as an independent contractor, certain labor, skills and supervision (collectively the "Work") to Owner in connection with the above-identified Project. Work includes all related procurement of materials, supplies, labor, and equipment (collectively the "Materials and Labor") included with and/or used in connection with Work, and/or designated by Owner in Specifications for the Project to complete the Project in substantial conformance with plans and specifications as enumerated on Schedule "1" attached hereto. Contractor acknowledges that there is no guarantee of any amount of Work to be awarded under this Agreement but to the extent any Work is agreed to, the terms of this Agreement shall control. The intent of the Parties is to have the contractual terms agreed to in this Agreement so that the Parties can focus solely on the specific business terms of any Work.
- 1.2 Contractor agrees to be bound to Owner by the terms of this Agreement and shall assume towards Owner all the obligations and responsibilities, including the responsibility for safety of the Work. Moreover, nothing in this Agreement shall prejudice or impair the rights of Owner. Additionally, Contractor agrees that nothing in any contract between Contractor and any Contractor shall prejudice or impair the rights of Owner contained in this Agreement.

### 2. Agreement Documents.

- This Agreement consists of: (a) this Agreement, which defines the basic terms and conditions of the relationship between the parties; (b); Exhibits and schedules attached to this Agreement; and (c) any amendments agreed to in writing between the parties pursuant to this Agreement ((a) through (c) collectively, shall be referred to herein as the "Agreement Documents"). The provisions of the Agreement Documents shall, to the extent possible, be interpreted consistently, and in a manner as to avoid conflict. In the event of a conflict or inconsistency by and between the Agreement Documents, the greater or more stringent requirement shall apply, but in the event this does not resolve such a dispute, the following order of precedence shall apply: (i) Amendments to this Agreement; (ii) Exhibits to this Agreement; and (iii) the terms of this Agreement. Exhibits and schedules attached to this Agreement consist of: Schedule "1" "List of Plans And Specifications; Exhibit A Trade Specific Scope of Work; Exhibit B General Conditions; Exhibit C Site Safety Rules; Exhibit D Emergency Action Plan; Exhibit E Insurance Requirements; Exhibit F Partial Waiver & Release of Lien; and Exhibit G Final Waiver & Release of Lien.
- THIS AGREEMENT AND THE DOCUMENTS SPECIFICALLY INCORPORATED HEREIN BY REFERENCE REPRESENT THE ENTIRE AGREEMENT BETWEEN OWNER AND CONTRACTOR AND SUPERSEDE PRIOR NEGOTIATIONS, REPRESENTATIONS, AGREEMENTS EITHER WRITTEN OR ORAL. TERMS AND CONDITIONS OF PROPOSALS, QUOTATIONS, DELIVERY TICKETS, INVOICES, WORK ORDERS AND OTHER SIMILAR ITEMS, UNLESS SPECIFICALLY MADE A PART OF THIS AGREEMENT, SHALL NOT BE APPLICABLE. ANY AND ALL TERMS OF ANY CONTRACTOR QUOTATIONS, ACKNOWLEDGEMENTS, INVOICES OR OTHER CONTRACTOR DOCUMENTATION RELATED TO THE PROJECT, INCLUDING BUT NOT LIMITED TO THOSE IDENTIFIED ABOVE, ARE HEREBY CANCELLED AND RENDERED NULL AND VOID TO THE EXTENT OF SUCH CONFLICT AND/OR INCONSISTENCY, AND THIS AGREEMENT WILL CONTROL. THIS SUBCONTRACT MAY BE AMENDED ONLY BY A WRITTEN MODIFICATION SIGNED BY BOTH PARTIES.

### 3. Ordering Process.

3.1 During the term of this Agreement, Owner may make available Specifications and related documents and information to Contractor related to the Project, and request from Contractor a bid or proposal for Work for

the Project. For the purposes of this Agreement, "Specifications" includes all plans, reports, drawings, sketches, renderings, specifications, option lists, and other related documents in connection with the Project, as enumerated on Schedule "1" of the Agreement, including all revisions thereto made throughout the progress of the Project.

- 3.2 If requested, Contractor may submit a bid or proposal to Owner in connection with the Project, in which case Contractor: (a) represents and warrants that it has inspected the Project jobsite, if necessary, has found the Project jobsite available and accessible, and has reviewed the Specifications and related documents and information for the Project in formulating and preparing its bid or proposal; (b) shall (as requested by Owner) identify all suppliers, subcontractors, laborers, material suppliers, engineers, agents, consultants and/or other persons from whom Contractor proposes to purchase and/or to contract for necessary Work, Materials and Labor required by Contractor for the Project and any other entity under the direction of Contractor (collectively, "Contractor's Agents"); (c) shall provide any information requested by Owner, including, without limitation, detailed take-offs, Material specifications and literature, quantities, unit costs, labor costs and hours, submittals, shop drawings, insurance costs and other overhead and (d) represents and warrants that it has investigated and confirmed that its proposed Work complies with all applicable local, state and federal ordinances, laws, rules and regulations, including but not limited to building codes, safety laws, all occupational safety and health standards promulgated by the Secretary of Labor under the Occupational Safety and Health Act (collectively, "Applicable Laws"), or has brought to the immediate attention of Owner in writing any portion of the Work that does not so comply.
- 3.3 Contractor agrees that all Specifications, including copies thereof, are the property of Owner and are not to be used on other work or given to other parties, except as required for the Work or when permitted by an officer of Owner in writing. Owner shall be deemed the author and owner of the Specifications and shall retain all common law, statutory and other reserved rights, including copyright. All Specifications shall be returned to Owner upon completion of the Work.
- 3.4 During the term of this Agreement, Owner may make available to Contractor: (a) notice to proceed and/or change orders; (b) Specifications, to the extent such Specifications are relevant to the Work; and/or (c) the schedule for the Project, including, but not limited to the Work to be performed by Contractor, that is prepared by Owner and provided to Contractor ("Construction Schedule"). A Construction Schedule may be delivered to Contractor, posted at the Project jobsite and/or published from time to time in electronic format. Any other notice by Owner under this Agreement may be written and/or electronic and may be placed in person by mail, fax, email and/or by or through any other media or mode of communication selected by Owner.
- **Acceptance of Work**. If Contractor commences performance of the Work, with or without a fully executed Agreement, it will be deemed to have accepted the terms and conditions of this Agreement. If Contractor commences Work without a fully executed Agreement, it shall do so at its own risk and cost.
- 3.6 Items of Work or Materials omitted from Contractor's bid or proposal that are clearly inferable from the Specifications presented by Owner shall be performed by Contractor and shall be deemed to be part of the Work, at no additional cost to Owner. The description of Work to be performed by Contractor shall not be deemed to limit the obligations of Contractor. Contractor shall immediately notify Owner in writing of any discrepancy, error, conflict or omission discovered by Contractor or Contractor's Agents in the Specifications at any time.
- 3.7 Contractor acknowledges and agrees that this is a non-exclusive agreement and that nothing herein constitutes a promise, guarantee, representation or commitment of any minimum or specified number of opportunities or that any Work shall be issued to Contractor hereunder.

### 4. Initiation of Work.

4.1 Contractor shall perform all Work described in the Specifications in accordance with this Agreement. Time is of the essence in connection with all of Contractor's obligations under this Agreement.

- 4.2 Contractor represents and warrants that it shall be properly authorized to do business in any jurisdiction where it shall perform Work, and that it shall be properly licensed by all necessary governmental authorities for the Work contemplated by this Agreement. Contractor shall, at its sole cost, obtain a NPDES permit required to preform Work, all other permits and fees shall be provided by the Owner. It is the responsibility of the Contractor to maintain current copies of all licenses and certificates of competency required by all jurisdictions where Contractor shall perform Work, and to provide to and maintain with Owner current copies of these documents to Owner before commencement of Work, and continually throughout the course of the Project should any of these change in any manner.
- 4.3 Contractor shall have no authority to commence Work at any location of the Project until Contractor has received written notice to proceed from Owner for the specific location.
- **4.4** Contractor represents and warrants that, prior to commencing Work on the Project initially, or at any subsequent time, it shall have:
  - (a) thoroughly inspected the then-current state of the Project jobsite and reviewed the latest version of the Specifications and Construction Schedules for the Project, it being Contractor's responsibility to stay informed regarding all changes in the jobsite, Specifications and Construction Schedules throughout the course of the Project;
  - (b) ascertained the jobsite conditions to be encountered in the performance of the Work, including verifications of all grades, measurements and the locations of all existing utilities;
  - (c) inspected all curbs, landscaping, common areas, walks, drives and streets, and reported any damage to Owner (damage found later may be charged to Contractor);
  - verified that all Work, storage and access areas and surfaces related to or adjoining the Work are satisfactory for the commencement of the Work. The commencement of the Work by Contractor shall be deemed as Contractor's acceptance of the jobsite and all access and storage areas; and
  - (e) notified Owner, in writing, of any discrepancy, error, conflict or omission discovered by Contractor at the jobsite, in regards to the Specifications and/or work of others.
- Contractor shall inspect the Project prior to beginning its Work. If any problems, vandalism, damage, 4.5 differences from the Specifications, and/or irregularities in components, which are unacceptable exist as to pre-existing work, Contractor shall promptly notify Owner so that these items are corrected prior to Contractor beginning its Work. Commencement of any Work to be performed by Contractor constitutes an affirmation by Contractor that, to the best of Contractor's knowledge, the work which preceded Contractor's Work has been completed in a proper and acceptable fashion. In no event should the Contractor be entitled to claim extra compensation as a result of unacceptable surface and/or areas unless same has been reported in writing prior to commencement of work. In addition, Contractor shall be liable and responsible to Owner if Contractor's Work results in problems, defects and/or delays in the work of other Contractors or Contractors. The completion of any portion of the Work constitutes a warranty on Contractor's part that such portion of the Work is in accordance with all provisions of the Agreement Documents and all Applicable Laws. To the extent all or any portion of the Work fails to meet the foregoing standard, Contractor shall have 3 days after learning of (or receiving notice of) such failure to begin curing the failure and any damage caused thereby. To the extent Contractor fails to begin the cure within such 3 day period, or thereafter fails to proceed diligently, then Owner may, in addition to any other remedies set forth in the Agreement Documents, complete any and all Work it deems necessary and may set off any amounts spent against amounts owed to Contractor by Owner or any of their Affiliates. Furthermore, to the extent that such amounts are insufficient to compensate Owner for monies spent, then Contractor shall remit such deficit to Owner within 30 Days of request therefore by Owner.
- 5. Performance and Progress of Work.

The Contractor has prepared and provided a Construction Schedule (the "Schedule) (Exhibit I) for the Project. The Schedule includes an estimated "Substantial Completion" date for these improvements. Should Contractor fail to meet the Substantial Completion date by reason of events for which extensions of time are not permitted under the Agreement Documents, and such failure is the exclusive and sole responsibility of Contractor, then Owner has the right to subtract Liquidated Damages Amounts as outlined in Section 5.9. The Schedule also include an estimated "Final Completion" date for the improvements. Should Contractor fail to meet the Final Completion date by reason of events for which extensions of time are not permitted under the Agreement Documents, and such failure is the exclusive and sole responsibility of Contractor, then Owner has the right to subtract Liquidated Damage Amounts as outlined in Section 5.10.

- **5.1** (Intentionally deleted).
- Upon request, Contractor shall identify to Owner in writing all suppliers and other persons from whom Contractor proposes to purchase or to contract with or has purchased from or contracted with for necessary Materials, Work and other items which may be required by Contractor to fully perform its obligations hereunder. Contractor shall furnish, at its own cost and expense, all Work, Materials, and Labor and equipment to perform Work in accordance with the terms of this Agreement. Contractor shall pay all taxes, royalties and license fees applicable to Materials furnished by Contractor in the performance of this Agreement. Contractor shall secure and pay for all government approvals, if necessary, for the incorporation of Materials into the Project.
- 5.3 Contractor hereby agrees to comply with all provisions and requirements of the local jurisdiction within which the Project is located, including, but not limited to, those relating to construction noise. Unless otherwise specified by Owner, construction, alteration, or repair activities which are authorized by a valid permit shall be allowed between the hours permitted by the jurisdiction in which the Project is located. On weekends and federal holidays, construction shall be allowed only upon receipt of a weekend/holiday work permit from the local jurisdiction, if required, by its ordinances and/or any applicable homeowner's association rules. Contractor shall have the option, at its own cost, to provide and maintain feasible noise control measures. If mitigation is not feasible, then Work shall be scheduled during the hours when residents shall be least affected, at no additional cost to Owner. If blasting activities are required to perform the Work, Contractor shall conduct the blasting activities in compliance with all Applicable Laws. Contractor shall submit blasting plans to the local jurisdiction for review and obtain approval prior to commencing any onsite or off-site blasting activities.
- 5.4 Contractor shall perform all Work in accordance with the terms and conditions set forth in this Agreement and shall prosecute the Work in a prompt and diligent manner without unreasonably hindering the work of Owner or its subcontractors. If work or property of others is unreasonably hindered, delayed, or damaged by the wrongful or negligent act of Contractor, Contractor shall pay for all costs and damages incurred by such other party, including any costs and damages incurred by Owner, and will cause all such damage to be corrected to the satisfaction of and without cost to Owner or Owner's surety. Should Contractor sustain any loss through (i) any wrongful or negligent act or omission of Owner or any other subcontractor, or (ii) failure of Owner or any subcontractor to perform his contractual undertakings, then Contractor shall not make a monetary claim or cause of action against Owner, except for an extension of time as provided for in the Agreement Documents, and Contractor's sole and exclusive recourse shall be against the responsible subcontractor or other party to recover any and all loss sustained.
- 5.5 Should the Contractor be delayed in the prosecution of any Work by reasons beyond its exclusive control or responsibility under the Agreement Documents, by the acts of Owner, or by a Force Majeure Event, then the time allowed for completion of the Work shall be extended by the number of days that Contractor has been thus delayed or by the number of days as Owner and Contractor agree. For the purposes of this Agreement, "Force Majeure Event" shall mean any delay caused by any condition beyond the reasonable control of either Owner or Contractor, including, without limitation, any act or provision of any present or future law or regulation or government authority, any act of God, pandemic, epidemic, war, civil or military disobedience or disorder, riot, terrorism, fire, earthquake, hurricane, storm, flood, strike, work stoppage or similar occurrence unrelated to any act or failure to act by the party claiming the Force Majeure Event.

- 5.6 Contractor shall give Owner immediate written notice if Contractor foresees, experiences and/or is advised of any constraint, shortage or insufficiency in the supply of any Materials, labor or other items necessary for Contractor to timely perform its obligations under this Agreement. The giving of such notice shall not excuse Contractor from its obligations hereunder. In the event of any such constraint, shortage or insufficiency, Contractor shall, at its own cost and expense: (a) use its best efforts to promptly resolve any such constraint, shortage or insufficiency and increase its forces, or work such overtime or expedite the delivery of Materials as may be required to bring its Work into compliance with applicable requirements.
- 5.7 Contractor shall make no changes in the Work to be performed by it including but not limited to additions, deletions or substitutions, nor shall Contractor perform any additional Work, without the prior written consent of Owner. Any authorizations for changes in Work required to be performed by Contractor, including performance of additional Work, shall be subject to the terms of this Agreement and shall be upon such written forms as agreed to by Owner and Contractor. Should Owner so request, Contractor shall perform such additional Work so long as Owner agrees in writing to pay Contractor the specified cost of such additional Work together with Contractor's reasonable overhead and profit attributable thereto. Touchup work, punch-list work and/or minor patching is considered a part of the Work, and shall not be considered additional Work.
- If Contractor is delayed (such delay must be a critical path delay) at any time in the progress of the Work by any act of neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor, then the required completion date or duration set forth in the Construction Schedule shall be extended by the amount of time that Contractor shall have been delayed thereby, subject to Contractor taking all reasonable measures to mitigate the effects of such delay. However, to the fullest extent permitted by law, Owner and their agents and employees shall not be held responsible for any loss or damage sustained by Contractor, or additional costs incurred by Contractor, resulting from a delay caused by Owner, or their Contractors, agents or employees, or any other contractor, or supplier, or by abnormal weather conditions, or by any other cause, other than an extension of the time for completion and Contractor agrees that the sole right and remedy therefore shall be an extension of time. Additionally:
  - (a) Contractor must submit any claim for an extension of time to Owner in writing before the completion of their task and Owner must respond with its response to the request for an extension of time,. When referenced in this Agreement, working days are defined as Monday through Friday, and exclude weekends and holidays.
  - (b) In the event a court of competent jurisdiction shall determine that this provision is inapplicable or unenforceable for any reason, then Contractor's sole right and remedy shall be the amount received by Owner from the party causing the delay on behalf of the Contractor for each day it is actually delayed by any act or neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor. Contractor waives any claim for consequential damages against Owner arising out of or related to the Project and/or this Agreement, including but not limited to loss or use, income, profit, financing, bonding capacity, and/or office overhead.
- 5.9 Should Contractor fail to perform any of its obligations as provided in this Section 5 by reason of events for which extensions of time are not permitted under the Agreement Documents, and such failure is the exclusive and sole responsibility of Contractor, then Owner shall have the right to subtract the amounts (the "Liquidated Damage Amount(s)") specified in this Section 5.9 from all sums due to Contractor (whether or not such sums are related to this Project or Agreement) and retain such Liquidated Damage Amounts as liquidated damages under this Agreement. The parties hereto acknowledge and agree that the damages resulting to Owner as a result of the default by Contractor under this Section 5.9 shall not be subject to specific ascertainment and therefore the provision herein for liquidated damages is incorporated as a benefit to both parties. This provision for liquidated damages is a bona fide damage provision and is not a penalty. The following additional Liquidated Damage Amounts shall also apply to the following events:

- (a) Should Contractor not show up for Work, the Liquidated Damage Amount shall be \$300.00 per day.
- (b) Should Contractor fail to perform as outlined in this section 5, the Liquidated Damage Amount shall be \$300.00 per day.

- 6.1 All Materials placed onsite, delivered to and accepted by Contractor, and/or transported by Contractor to and from the jobsite, shall be at the sole risk and responsibility of Contractor. It shall be the duty and responsibility of Contractor to accept or reject all such Materials. Failure of Materials to conform to the Specifications shall be cause for rejection, and Contractor shall not install or use any damaged Materials.
- 6.2 Contractor shall keep, store and maintain all Materials in good order. In no event shall Owner be responsible for loss or damage to the Work or Materials belonging to, supplied to, or under the control of Contractor (except as a direct result of the intentional acts of Owner), and Contractor shall indemnify and hold Owner harmless from any such claims. Contractor acknowledges and agrees that Owner owes no duty to protect Contractor's Work, Materials or tools, and if Owner uses the services of any security service that such services are for Owner's exclusive benefit and that Contractor shall not rely upon such services.
- 6.4 Without limiting the generality of the foregoing, Contractor shall take all precautions and actions that may be appropriate, whether or not requested by Owner, to protect Materials and/or Work during a predicted natural disaster, e.g., tornado, hurricane, severe thunderstorm.
- 6.5 Contractor shall be responsible for any defect in the Work or damages, theft or loss of Materials caused by or resulting from its failure to adequately and properly protect such Work or Materials. Contractor shall be fully liable and responsible to Owner for all Costs associated with any damage, loss, theft and/or vandalism resulting from Contractor's failure to fully comply with the terms of this Section.

within 3 business days after receiving notice from Owner, take down all portions of the Work and remove same which Owner rejects as unsound or improper, and Contractor shall make repair or replace all Work and/or Materials rejected, at Contractor's sole expense.

7.4 Should Owner exercise any of its options, remedies or rights granted it pursuant to the terms of this Agreement, in the event of any material failure of performance or breach by Contractor, Owner at its sole election may, but shall not be obligated so to do: (a) use any Materials, supplies, , whether such Work is completed by Owner or by others, and Contractor agrees that it shall not remove such Materials, supplies, from the jobsite unless directed in writing by Owner to do so; (b) eject Contractor from the jobsite; and/or (c) enforce any or all of the agreements that Contractor has with Contractor's Agents, true and complete copies of which (including all modifications and change orders) shall be provided immediately upon Owner's request. In exercising its rights under this Section 7.4, Owner shall only be acting as the authorized agent of Contractor and Owner shall not incur any independent obligation in connection therewith.

- 8.2 Contractor shall maintain labor harmony on the Project jobsite, and shall not employ any persons, means, Materials or equipment which may cause strikes, work stoppages or any disturbances of Contractor's Agents, Owner and/or any other Contractor or sub-contractor on the Project. Contractor shall perform Work with labor that is compatible with that of other Contractors performing work at the Project jobsite, and Contractor shall exercise all due diligence to overcome any strike or other labor dispute or action. Any strike or other labor difficulties shall not be considered a "Force Majeure Event" for the purposes of this Agreement, if such labor difficulties are caused by the action or inaction of Contractor.
- 8.3 Contractor is solely responsible for the verification of each of its employee's and Contractor's Agent's eligibility to work legally in the United States. Contractor represents and warrants that: (a) Contractor's employees and Contractor's Agents shall all be eligible to work legally in the United States, (b) Contractor will timely obtain, review and retain all documentation required by Applicable Law(s) to ensure that each of its employees and each of Contractor's Agents is eligible to work legally in the United States; (c) Contractor shall comply with all Applicable Laws and other governmentally required procedures and requirements with respect to work eligibility, including all verifications and affirmation requirements; and (d) Contractor shall not knowingly or negligently hire, use, or permit to be hired or used, any person not eligible to work legally in the United States in the performance of Contractor's Work.

- 9.4 Contractor and Contractor's Agents must minimize any vehicle or equipment fueling, washing, maintenance or repair on the jobsite and such activities should not result in run-off or releases onto the ground or off the jobsite or into a storm water management or conveyance system.
- 9.5 Contractor will take immediate steps, at Contractor's sole expense, to remediate in full compliance with and to the full extent required by Applicable Laws, rules and regulations, any release or discharge by Contractor of any hazardous or other regulated substance, whether on or off the jobsite while acting on behalf of or within the scope of its Work for Owner.

In the event that there is not enough value of the Agreement remaining to allow the Owner to setoff against any sums due Contractor as a result of such non-compliance, then Contractor agrees to fully reimburse Owner the Costs of such correction immediately upon notice by Owner.

### 10. Storm Water Management.

- 10.1 Contractor shall comply with the Federal Water Pollution Control Act of 1972, as amended, (the "Clean Water Act" or "CWA"), and all federal, state and local laws, regulations, ordinances, and policies relating to storm water pollution, sedimentation control and erosion control. Owner, if applicable to the Work, in accordance with Paragraph 402(p) of the CWA, which establishes a framework for regulating storm water discharges under the National Pollution Discharge Elimination System ("NPDES") Program, has or will developed an erosion, sedimentation and storm water pollution control and prevention plan (a "SWPPP") for the Project in order to control erosion and storm water discharges and to prevent certain non-storm water discharges. Contractor and Contractor's Agents shall at all times comply with the NPDES Permit(s) and the SWPPP. Contractor shall solely be responsible for and shall irrevocably defend, protect, indemnify and hold Owner harmless from and against any and all past, present or future claims of any kind or nature, at law or in equity (including, without limitation, claims for personal injury, property damage or environmental remediation or restoration), losses, costs, penalties, obligations, attorney and consultant fees and costs, and damages, including, without limitation, consequential, special, exemplary and punitive damages contingent or otherwise, matured or unmatured, known or unknown, foreseeable or unforeseeable, arising from or in any way related to Contractor's or Contractor's Agents' failure to comply with the Clean Water Act, any federal, state and local laws, rules and regulations, including ordinances and policies, relating to storm water pollution and erosion and sedimentation control and/or the SWPPP as they may be applicable to the Work. Such failures shall constitute a material breach of this Agreement.
- Contractor shall designate a Contractor employee representative with authority from Contractor to oversee, instruct, and direct Contractor's employees and Contractor's Agents regarding compliance with the requirements of the CWA and any federal, state or local laws, regulations or ordinances relating to storm water pollution or erosion control and the requirements of the SWPPP for the Project. Prior to commencing Work at the Project or within a reasonable time after, the designated Contractor representative shall contact Owner's jobsite Project Manager to request information on storm water management at the Project. Contractor and Contractor's Agents shall review prior to commencing Work on the jobsite, and shall abide by at all times, all storm water and jobsite orientation materials and direction provided by Owner to Contractor, and as may be required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP, shall file all notifications, plans and forms required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP. Contractor is responsible for circulating

information provided by Owner regarding storm water management to its employees and Contractor's Agents who will be working on the Project.

- 10.3 Contractor shall require Contractor's Agents to immediately notify Contractor and Owner of any source pollutants that Contractor's Agents intend to use on the jobsite that are not identified in the SWPPP, and shall require that each of Contractor's Agents on the Project immediately notify Contractor and Owner of any corrections or recommended changes to the SWPPP that would reduce or eliminate the discharge of pollutants and/or sediments from the jobsite. Further, neither Contractor nor any of Contractor's Agents shall discharge any prohibited non-storm water discharges to storm water systems or from the jobsite. If requested by Owner, Contractor shall annually or at the completion of the Work, certify that the Work was performed in compliance with the requirements of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP.
- 10.4 Contractor acknowledges that periodic changes may have to be made to the SWPPP during the progress of the Work, and Contractor shall at all times comply with, and shall require that Contractor's Agents at all times comply with, the most current version of the SWPPP. Contractor and Contractor's Agents shall use best efforts to comply with the SWPPP practices and procedures, including, without limitation, the "best management practices," and Contractor shall implement "best management practices" to control erosion and sedimentation and to prevent the discharge of pollutants including sediments. Contractor shall ensure that all of Contractor's and Contractor's Agent's personnel are appropriately trained in the appropriate "best management practices", and trained to comply with the SWPPP and with all Applicable Laws and regulations.
- 10.5 Contractor shall immediately notify Owner if it observes, discovers and/or becomes aware of (i) any spill of any hazardous or toxic substance or material or other pollutants on the jobsite, (ii) any discharge of any hazardous or toxic substance or material or other pollutants into or on the jobsite which leaves the jobsite or is capable of being washed from the jobsite during a rain event, (iii) any failure by any party to comply with the requirements of the SWPPP, the Clean Water Act, and/or any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and (iv) any damage to or failure of a "best management practice" or any other stormwater or erosion control measure. Contractor shall retain all records relating to the SWPPP, the CWA, and any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and any and all violations of the same for a period of 3 years following completion of the Project, or longer as required by Applicable Law.
- Notwithstanding anything to the contrary contained herein, Owner shall have the right, but not the obligation, to immediately remedy any violation of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion and sedimentation control, and/or the SWPPP for which Contractor is responsible, without the necessity of providing Contractor with any notice or right to cure. Should Owner remedy any such violation, Owner shall have the right to back-charge Contractor for the Costs to remedy the violation. Conversely, Owner shall have the right, in Owner's sole and absolute discretion, to require Contractor to reimburse Owner for the Costs incurred by Owner to remedy such violation and/or for fines or penalties paid for such violation, and unless Contractor reimburses Owner for such Costs within 10 days after receiving Owner's written request for payment of the same, Contractor will be in default of this Agreement, and Owner shall have all rights and remedies available to Owner as a result of a Contractor default. Nothing in this Section 11.6 shall limit or modify in any way Contractor's obligations or Owner's rights under Section 11.1.

#### 11. Liens/Waiver of Liens

Contractor will pay when due, all claims for labor and/or Materials furnished to the Project as part of the Work, and all claims made by any benefit trust fund pursuant to any collective bargaining agreement to which Contractor may be bound, to prevent the filing of any mechanics' lien, material suppliers' lien, construction lien, stop notice or bond claim or any attachments, levies, garnishments, or suits (collectively "Liens") involving the Project or Contractor. Contractor agrees within 5 days after notice, to take whatever action is necessary to terminate the effect of any Liens, including, but not limited to, filing or recording a release or lien bond. Contractor may litigate any Liens, provided Contractor causes the effect thereof to be removed

- from the Project, or any other of Owner's property or operations, by the proper means, including, but not limited to, Contractor's filing of a cash bond or surety bond as Owner may deem necessary.
- 11.2 Failure to comply with the requirements of Section 11.1 within a period of 5 days after notice from Owner of any Liens shall place Contractor in default and entitle Owner to terminate this Agreement upon written notice, and use whatever means it may deem best to cause the Liens, together with their effect upon the title of the Project, to be removed, discharged, compromised, or dismissed, including making payment of the full amount claimed without regard to the legitimacy of such claim, and the Costs thereof shall become immediately due and payable by Contractor to Owner.
- 11.3 If Owner receives any notice of any Liens pertaining to Contractor and/or Contractor's Agents' Work, Owner may withhold the payment of any monies to which Contractor would otherwise be entitled to receive, until such time that Owner has reasonable evidence that such Liens have been discharged.
- 11.4 If Contractor fails to pay and discharge when due, any bills or obligations of any kind or nature whatsoever incurred by Contractor by reason or in the fulfillment of this Agreement, whether or not Liens have been or may be placed or filed with respect thereto, which bills or obligations in the opinion of Owner are proper, Owner, at Owner's option but without being obligated to do so, may pay all or any part of such bills or obligations, for Contractor's account and/or Owner may, at its sole discretion, issue payment jointly to Contractor and the applicable third party. Any direct or joint payment is solely at the discretion of Owner and shall be deemed as a payment towards the obligations of this Agreement. Contractor hereby expressly waives and releases any claim and/or right of redress or recovery against Owner by reason of any act or omission of Owner in paying such bills or obligations, and nothing herein shall be deemed to mean Owner assumes any liability towards Contractor's suppliers, laborers or material suppliers.
- 11.5 Contractor shall pay to Owner upon demand all amounts that Owner may pay in connection with the discharge and release of any Lien, including all Costs related thereto.
- 11.6 Contractor intends to furnish Work and/or Materials in the construction, repair and/or replacement of improvements upon real property owned by Owner.
  - (a) Contractor represents and warrants that it has not assigned and will not assign any claim for payment or any right to perfect a Lien against said Work, real property, or the improvements thereon, to any third person, including without limitation any lender or factoring company. Contractor agrees that any such attempted assignment shall be invalid and not enforceable. Such attempted assignment shall be deemed a material default of Contractor's obligations under this Agreement. Contractor shall include substantially identical language to this Section in all subcontracts for Work and/or Materials.
  - (b) In addition to any notices required by Applicable Law, Contractor also agrees to provide Owner with advance notice before placing or filing any Lien against any real property upon which Work is performed and/or Materials are delivered, used and/or installed. Such notice shall be served on Owner in written form at least 10 business days in advance of the placement or filing of any Lien, or as much in advance of placement or filing of any Lien as is reasonably practical under Applicable Laws. If the potential Lien issue is still not resolved, then 3 business days in advance of the placement or filing of any Lien, Contractor shall make reasonable efforts to contact Owner's Vice President of Finance via telephone and email.

### 12. Warranties; Warranty Work and Performance Standards.

12.1 Contractor agrees to promptly make good, without cost to Owner, any and all defects due to faulty workmanship and/or materials, excluding any workmanship or materials provided by Owner or damaged by other individuals or entities, which may appear prior to stabilization of the materials or within thirty (30) days after the signed and sealed final as-built plans are provided to Owner. Specifically, stabilization (sod seed) will be warranted for thirty (30) days after installation and the silt fence will be turned over to Owner/the

utility contractor after a walkthrough inspection or thirty (30) days after the submittal of final as-built plans, whichever occurs sooner. Contractor shall be under no obligation to perform warranty work until Contractor has received payment in full from Owner. All warranty requests shall be made in writing to Contractor. Contractor's obligations under this warranty are limited to repair or replacement of any work or materials found to be defective within the warranty period. This limited warranty is given in lieu of any and all other warranties, expressed or implied, and Contractor's liability is exclusively limited to the remedy provided herein.

13. Notice and Opportunity to Repair Statutes. Contractor agrees to cooperate with Owner in connection with any matters relating to any applicable notice and opportunity to repair statutes. If Contractor fails or refuses to cooperate in that process, Owner will have the right to correct any defective Work, and Contractor shall, reimburse Owner for all Costs incurred responding to and/or correcting any such defective Work.

- 14.3 Contractor shall maintain electronic communications with Owner via e-mail.
- 14.4 Contractor shall provide Owner with all reports, documentation and information as Owner reasonably requests to verify the performance of Contractor's obligations under this Agreement, including, without limitation, full reports of the progress of Work in such detail as may be required by Owner including any shop drawings, as—built drawings and/or diagrams in the course of preparation, process, fabrication, manufacture, installation or treatment of the Work and/or Materials.

Contractor shall immediately provide written notice to Owner of any of the foregoing upon Contractor's becoming aware of the same.

#### 15. Goals, Continuous Improvement and Quality.

- 15.1 Contractor acknowledges that Owner's long term goals may include: (a) shortening build-times for the Project; (b) increasing flexibility; (c) achieving ongoing cost reductions; and (d) achieving specific quality goals and continuous quality improvement. Contractor agrees to cooperate with Owner in working toward achieving these goals, which includes, without limitation, the obligations set forth in this Section.
- 15.2 Contractor understands that Owner's selection of Contractor as a provider of Work is based in part on Owner's belief that Contractor is committed to continuing to improve its performance of Work and to find cost savings over the term of this Agreement. Savings may relate to development and implementation of manufacturing efficiencies, feature improvements, component purchase price reductions, engineering breakthroughs and/or delivery and distribution enhancements that result in lower cost of Work and/or operating expenses for Contractor and/or Owner. To this end, Contractor shall use commercially reasonable efforts to continuously improve the performance and quality of Work, to assist Owner in achieving costs savings associated with Work, and to reduce Contractor's costs of performing Work, through increases in efficiency and otherwise.
- 15.3 If Contractor fails to perform Work properly, as determined by Owner in its sole and absolute discretion, Contractor shall promptly put into place a written corrective action plan, reasonably acceptable to Owner, designed to ensure that Contractor will perform Work properly going forward.

In addition, if Owner has an agreement for direct pricing with a manufacturer and/or supplier of Materials, prices for such Materials shall be passed through to Owner at Contractor's cost (i.e., without mark-up) and shall in no event exceed any prices agreed to between Owner and the applicable Material manufacturer and/or supplier. Contractor agrees that any price reduction applicable to the ordered Work and/or Materials subsequent to the Agreement date, but prior to delivery, shall be applicable to the Agreement.
- 16.2 Owner shall designate the methodology for payment to Contractor.
  - (a) If Contractor is instructed to submit invoices to Owner, then Contractor will remit invoices, and Owner will pay such invoices within 30 days of approval by Owner. An invoice date shall be no earlier than the date the Work, or applicable portion thereof, is completed. All invoices must be submitted by Contractor within 30 days of its completion of the Work, or applicable portion thereof. Invoices received after 90 days of the completion of the Work, or applicable portion thereof, shall be null and void. Owner shall not be liable for any charges associated with the Work and/or Materials represented by such delinquent invoices, and Contractor hereby expressly waives its right to receive any payment in connection, any such delinquent invoices. Contractor also understands and agrees that Materials that are stored, but not incorporated into the Work are not to be billed until such Materials are incorporated into the Work. Owner is not responsible to pay Contractor for stored Materials.
  - (b) Contractor agrees to notify Owner within 5 business days if Contractor has not received payment in full within 30 days of payment becoming due under Section (a) above.
  - (c) The Owner is entitled to retain five percent (5%) of the value of the Work billed by Contractor as assurance that full faithful performance of the work and other obligations shall be completed by Contractor (hereinafter referred to as the "Retainage"). All applications for payment shall have Retainage held. Any retainage held by Owner shall be paid to the Contactor at the time of final payment.

- As a condition to any payment to be made by Owner to Contractor, Owner may, at its option, require Contractor to furnish to Owner: (a) full and complete Lien waivers, in a form acceptable to Owner, executed by Contractor and all Contractor's Agents utilized by Contractor in performing the applicable Work and/or supplying Materials in connection with the applicable Work, as well as any other information and documentation requested by Owner with respect to Work and/or Materials covered by the applicable invoice; and (b) a current sworn statement from Contractor attesting to all Contractor's Agents, the amount of each subcontract and/or contract with Contractor's Agents, the amount requested for any Contractor's Agent in the invoice, the amount the Contractor has paid to each Contractor's Agent, and the amount to be paid the Contractor under the invoice.
- No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement, either in whole or in part, and no payment shall be construed as acceptance of defective Work.
- 16.5 Contractor agrees that amounts owed under any portion of this Agreement are subject to offsets by Owner in the event of: (a) Contractor's breach(es) of this Agreement; (b) any damages caused by Contractor; (c) any Liens or other claims arising out of the Work and/or Materials; (d) any Costs or anticipated Costs of curing defective Work and/or Materials and/or any other amounts expended by Owner in connection therewith; and/or (e) any Liquidated Damage Amounts due from Contractor. Contractor further agrees that should Owner have reason to terminate this Agreement as a result of Contractor's failure to comply with the terms and conditions of this Agreement then Owner and/or its Affiliates shall have the right, in their sole discretion, to terminate any other agreements between Contractor and Owner and/or its Affiliates.
- 16.6 In the event Contractor breaches this Agreement, Owner shall have the right to stop all payments to Contractor until such time as Owner can accurately ascertain its damages and Costs resulting from the breach, at which time Owner is authorized to deduct all Costs related thereto from any monies owed Contractor under this Agreement

16.7

16.8 Notwithstanding anything herein to the contrary, Contractor shall not make any adjustments to the prices set forth in the Agreement without providing Owner a minimum 60 days' prior written notice. Further, Contractor acknowledges and agrees that any such increases, if accepted by Owner, shall not be effective until the 60 day time period has expired and any such increases shall be applicable only to new, fully agreed upon change orders issued after such increases become effective.

16.9

- 16.10 Acceptance by Contractor of any payment shall be a complete and final release of any and all claims the Contractor has or may have related to, concerning or arising out of this Agreement up to and through the time period of work included in the invoice, including but not limited to extra work, delays and change orders except only those claims that are specifically identified in writing and attached to the invoice.
- Owner may order or propose changes in the Work consisting of additions, deletions or other revisions with the Agreement amount and time being adjusted accordingly. All such changes in the Work shall be by a written change order or written modification of the Contract signed by all parties. Owner may, by a written directive issued and signed by Owner's authorized representative, direct Contractor to proceed with changes in the Work, prior to the issuance of a change order. Upon receipt of a written directive from Owner, Contractor shall proceed with the Work.
- 16.12 Contractor shall submit to the Owner a written detailed estimate of the cost of performing the ordered or proposed changes to the Work to include quantities, unit prices, labor rates, manufacturers and supplier's quotations and all other information required by Owner for a complete analysis of the estimate. If the proposed change affects the length of time Contractor requires to complete its Work, Contractor shall set forth, in writing, the amount of any justifiable time increase in its proposal. Contractor's proposal shall be submitted to Owner within 10 working days of its receipt of the request from Owner.

- 16.13 Any and all claims for time or money must be presented to Owner, in writing, within 5 working days after the occurrence of the event giving rise to such claim. Failure by Contractor to present such claim in writing within 5 working days after the occurrence shall be deemed a waiver of such claim and the Contractor shall be barred from pursuing such claim against Owner.
- 16.14 Contractor shall forward all documents requested by Owner regarding any claim, including but not limited to job cost reports, daily reports, foreman daily reports and diaries, Contractor's complete estimate, invoices, subcontracts, purchase orders, equipment documents (list of company owned, rented or other equipment used), rental charges, job costing of company owned equipment and general ledger.
- 16.15 No dispute as to adjustment of the Agreement amount or time for changed Work, shall excuse Contractor from proceeding with such changed Work that has been duly authorized by Owner.
- 16.16 Contractor waives any claims for consequential damages, including but not limited to, claims for principal office expenses including compensation of personnel stationed there, for loss of financing, business and reputation, lost profits and loss of bonding capacity.
- 17. Inspections and Reviews. Owner and its agents shall have the right to inspect all Contractor Materials, facilities, Project jobsites and surrounding areas, to confirm Contractor's compliance with the requirements of this Agreement, as well as background OSHA and Experience Modification Factor checks. No inspection or failure to inspect by or on behalf of Owner will increase Owner's obligations or liabilities nor limit Owner's rights or Contractor's obligations.

#### 18. Indemnification.

To the maximum extent permitted by law, Contractor, on behalf of itself and its employees, officers, representatives, materialmen, laborers, contractors, sub-contractors, and any other parties acting at the direction of Contractor (collectively, "Contractor Entities") hereby agrees to save, indemnify, defend and hold harmless (such action, the "Indemnity") Owner and their parents, Affiliates, subsidiaries, officers, directors, managers, agents, contractors, materialmen, laborers, representatives, employees, successors and assigns (collectively, the "Indemnitees"), from and against any and all liability, costs and damages of any kind whatsoever (including without limitation loss of profits, consequential damages, and/or punitive damages) sustained by the Indemnitees as a result of the activity or inactivity (the "Covered Activity") of Contractor Entities, including without limitation activity or inactivity that constitutes one or more of the following conditions: (i) a material violation of the terms of this Agreement, (ii) willful misconduct, (iii) fraud, (iv) material misrepresentation, (v) negligence, and (vi) deficient and/or defective workmanship (including without limitation the installation of deficient and/or defective materials). The parties hereto acknowledge that the Indemnity is intended to be as broad as permissible under Applicable Law or regulation. Contractor shall defend all suits brought against the Indemnitees, at its expense, regardless of the cause of such suits and regardless of any negligence (except gross negligence) on the part of the Indemnitees. Contractor shall reimburse upon demand Indemnitees for any expense sustained in connection with actions brought as a result of the Covered Activity. By way of illustration but not limitation, should the Indemnitees become liable in connection with being deemed the statutory employer of an individual acting under Contractor's direction, then Contractor shall indemnify, defend, and hold harmless the Indemnitees from any damages sustained in connection with being deemed the statutory employer. This indemnity obligation includes, without limitation, expenses (including attorney's fees) claims, judgments, suits, or demands for damages to persons or property arising out of, resulting from or relating to Contractor's performance of the Work under this Agreement or Contractor's breach of this Agreement ("Claims") unless such Claims have been specifically determined by the trier of fact to be solely the result of the gross negligence or intentional acts of Owner. Contractor's duty to indemnify Indemnitees shall arise at the time written notice of a Claim is first provided to Indemnitees regardless of whether claimant has filed suit on the Claim. In situations where it is determined by the trier of fact that Indemnitees are partially at fault for a Claim due to Indemnitees' gross negligence or intentional misconduct, Contractor's obligation to fully indemnify Indemnitees shall be limited to a maximum liability of \$2,000,000. Contractor's indemnification obligation shall include, but not be limited to, any Claim made against Indemnitees by a Contractor's Agent who has been injured on property owned by Indemnitees. This provision shall be deemed to be a part of the Project specifications. Nothing in

this Agreement shall be construed to require Contractor to defend or indemnify Owner for any Claims resulting solely from Owner's gross negligence or intentional acts.

- 18.1 Contractor will defend Claims that may be brought or threatened against Indemnitees and will pay on behalf of Indemnitees any expenses incurred by reason of such Claims including, but not limited to all reasonable costs which may include court costs, expert costs and attorney fees incurred in defending or investigating such Claims. Such payment on behalf of Indemnitees shall be in addition to any and all other legal remedies available to Indemnitees and shall not be considered Indemnitees' exclusive remedy.
- 18.2 In the event Indemnitees are required to mediate, arbitrate, or litigate a Claim (which may or may not be with a homeowner) arising out of or relating to the Work performed under this Agreement, Indemnitees may, in its sole discretion, require Contractor to participate in such mediation, arbitration, and/or litigation. If the Claim is resolved through arbitration, any judgment rendered by the arbitrator(s) may be confirmed, entered and enforced in any court having jurisdiction and the Contractor shall be bound by that decision.
- 18.3 The provisions of this Section 18 shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor and shall continue until such time it is determined by final judgment that the Claim against Indemnitees is fully and finally barred by the statute of limitations. Contractor's indemnification and defense obligations shall not be limited by the amounts or types of insurance that Contractor is required to carry under this Agreement or that Contractor does in fact carry.

In the event that such court of competent jurisdiction finds that any state statutory indemnity limits apply to this Agreement with respect to Contractor's indemnification of Owner for liability caused in whole or in part by any act, omission or default by Owner, the parties hereto agree that such limit shall be equal to the limits (exclusive of deductibles) of the applicable insurance required by this Agreement. The parties acknowledge and agree that this monetary limit, if required, bears a commercially reasonable relationship to this Agreement, in so far as, among other factors, the parties have taken into account the availability and cost of insurance and other risk transference devices, the scope of the Work, the risks associated with the Work, and the compensation and any other benefits exchanged between the parties in connection with this Agreement. The parties further agree that this provision is hereby made a part of the Project specifications and bid documents.

- 19. Insurance. Contractor shall carry, with insurance companies rated A VII or better by A.M. Best Company, the insurance coverage specified in Exhibit E continuously during the life of this Agreement, and thereafter as provided in Exhibit E. Contractor must furnish the Owner with Certificates of Insurance reflecting coverage as described below at least 7 days **before** starting any Work, giving evidence that Contractor is carrying all of the insurance required in Exhibit E.
- 19.1 Insurance and Indemnity of Contractor's Agent(s).
  - (a) If Contractor should subcontract any Work, Contractor shall nevertheless be bound to indemnify Owner as provided in this Agreement on behalf of Contractor's Agent(s). In addition, Contractor shall require that Contractor's Agent(s) also be bound to indemnify Owner as provided in this Agreement. Contractor represents and warrants that Contractor's Agent(s) shall carry insurance as set forth in this Agreement prior to permitting Contractor's Agent(s) to commence its work.
  - (b) Contractor shall require in its purchase orders that its suppliers indemnify Contractor and Owner from all losses arising from any materials or supplies included in any Work.
  - (c) Contractor shall require the same insurance coverage required of Contractor from any sub-Contractors performing any portion of Contractor's work. Notwithstanding anything to the contrary herein contained, each party hereby waives all claims for recovery from the other party for any loss or damage to its property caused by fire or other insured casualty and agrees that where there is insurance coverage that the insurance coverage shall be the only avenue of recovery. This waiver shall apply, however, only where the insurance covering the loss or damage will not be prejudiced by reason of such waiver.

#### 19.2 Miscellaneous Insurance Provisions.

- (a) Any attempt by the Contractor to cancel or modify insurance coverage required by this Agreement, or any failure by the Contractor to maintain such coverage, shall be a default under this Agreement and, upon such default, Owner will have the right to immediately terminate this Agreement and/or exercise any of its rights at law or at equity. In addition to any other remedies, Owner may, at its discretion, withhold payment of any sums due under this Agreement until Contractor provides adequate proof of insurance.
- (b) The amounts and types of insurance set forth above are minimums required by Owner and shall not substitute for an independent determination by Contractor of the amounts and types of insurance which Contractor shall determine to be reasonably necessary to protect itself and its Work.
- (c) Owner reserves the right to modify these insurance requirements, and if Contractor continues to perform Work, Contractor agrees to be bound by such modifications **30 days after receipt** of the modified provisions.

#### 19.3 Compliance with this Section.

- (a) Contractor acknowledges that timely compliance with this Section and Exhibit E is essential to Owner's risk management. As such, if Contractor fails to comply with any of its obligations under this Section 19 and Exhibit E, Contractor shall be in default of this Agreement and Owner shall have all rights under this Agreement with respect to Contractor's default. Additionally, Owner shall be entitled to (i) withhold any and all payments due to Contractor until Contractor cures such noncompliance, and (ii) assess a service credit in the amount of \$500.00 for each instance of Contractor's non-compliance. Service credits shall be credited against the Contractor's next invoice payable by Owner hereunder. Notwithstanding the foregoing service credit, Contractor shall be required to protect and indemnify Owner and all Indemnitees (as defined in Section 18 of this Agreement) to the fullest extent provided in this Agreement.
- 20. Confidentiality. During the term of this Agreement, Contractor may have access to information that is considered confidential and proprietary by Owner. This information may include, but is not limited to, non-public information relating to prices, compensation, research, products, services, developments, inventions, processes, protocols, methods of operations, techniques, strategies, programs (both software and firmware), designs, systems, proposed business arrangements, results of testing, distribution, engineering, marketing, financial, merchandising and/or sales information, individual customer profiles, customer lists and/or aggregated customer data, and similar information of a sensitive nature ("Confidential Information"). Contractor may use Confidential Information only for the purposes of this Agreement. Contractor shall maintain the confidentiality of Confidential Information in the same manner in which it protects its own Confidential Information of like kind, but in no event shall Contractor take less than reasonable precautions to prevent the unauthorized disclosure or use of Confidential Information. Upon request, Contractor shall return all Confidential Information and shall not use Confidential Information for its own, or any third party's benefit. The provisions of this Section shall survive termination of this Agreement for so long as the Confidential Information is considered confidential by Owner and/or its Affiliates.

#### 21. Term and Termination.

- 21.1 This Agreement shall be effective on the Effective Date and continue until terminated in accordance with its terms.
- 21.2 Contractor may terminate this Agreement if Owner commits a material breach of this Agreement, or any Agreement document, and fails to cure such breach within 30 days of its receipt of written notice of the breach from Contractor. However, any dispute over amounts claimed to be owed shall be resolved in accordance with the dispute resolution provisions of this Agreement and shall not serve as a basis for

Contractor to place Owner in default hereunder and in such event, Contractor shall continue to perform its Work under the terms of this Agreement.

- 21.3 Owner shall have the right to terminate this Agreement with or without cause, effective immediately upon notice to Contractor or as otherwise set forth in such notice. A termination "for cause" includes, but is not limited to, circumstances where: (a) Contractor fails to comply with this Agreement; (b) Contractor repudiates any of this Agreement; (d) in the event of any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event; (e) Contractor refuses or neglects to supply a sufficient quantity of Work of proper quality, as determined by Owner; (f) Contractor fails to make prompt payment to Contractor's Agents for Materials or labor; (g) Contractor violates any Applicable Law; and/or (h) Contractor causes interference, stoppage, or delay to the Project or any activity necessary to complete the Project;
- Owner's total liability to Contractor upon termination of this Agreement without cause shall be limited to any remaining payment for completed Work, including any retainage, delivered and accepted by Owner. In no event shall Contractor be entitled to any indirect costs, delay damages, consequential damages, lost profits, overhead, acceleration damages or any other compensation. However, in the event that Owner terminates this Agreement for cause, Owner may, after giving Contractor notice of default and 7 calendar days within which to cure, have the right to exercise any one or more of the following remedies:
  - (a) Owner may immediately take any action Owner may deem necessary to correct such default, including specifically the right to provide labor, overtime labor, materials, equipment and/or other Contractors, and Contractor shall reimburse and pay Owner for all Costs incurred or paid by Owner resulting therefrom, or Owner may deduct the cost of correcting such default plus a markup of 10% for overhead and profit from any payment due, or that may become due, to the Contractor;
  - (b) Owner may terminate this Agreement and the employment of Contractor, without thereby waiving or releasing any rights or remedies against Contractor or its sureties, and take possession of the Contractor's materials, tools, equipment, designs, shop drawings, and work product used in performing its Work, and employ another Contractor to finish the remaining Work to be performed hereunder. Owner may deduct the costs of completing the remaining work plus a markup of 10% for overhead and profit from the unpaid Agreement price, and if the cost of completing the remaining Work exceeds the Agreement amount, Contractor shall pay to Owner such excess costs, including attorney's fees;
  - (c) Recover from Contractor all losses, damages, penalties and fines, whether actual or liquidated, direct or consequential (including without limitation any increase in Owner's cost of insurance resulting from Contractor's failure to maintain insurance coverages required hereunder), Owner's additional/extended general conditions costs and all attorneys' fees suffered or incurred by Owner by reason of or as a result of Contractor's default plus a markup of 10% for overhead and profit on all costs incurred by Owner to correct such default;
  - (d) Require Contractor to utilize, at its own expense, overtime labor (including Saturday and Sunday work) and additional shifts as necessary to overcome the consequences of any delay attributable to Contractor's default;
  - (e) Refrain from making any further payments under this Agreement to Contractor until the entire Project shall be fully finished and accepted by the Owner. After completion of the Work by the exercise of any one or more of the above remedies and acceptance of the Work by the Owner, Owner shall promptly pay Contractor any undisbursed balance of the Agreement, if any. If the cost of completion of the Work plus a markup of 10% for overhead and 10% for profit, together with any other damages or losses sustained or incurred by Owner, shall exceed the un-disbursed balance of the Agreement, Contractor and its guarantors, surety, or sureties shall pay the difference within 30 days of written demand from Owner.

- 21.5 Should any termination for cause under this Agreement be deemed invalid, wrongful or improper, such termination for cause shall be deemed a termination without cause as set forth above and Contractor's rights and remedies against Owner shall be limited as set forth above.
- 21.6 If Contractor neglects to perform the Work in accordance with the Agreement and/or as directed by Owner and fails within 7 calendar days from the date of written notice from Owner to correct such deficiency, Owner may, without declaring Contractor in default and without prejudice to any other remedies the Owner may have, correct such deficiencies. In such case, an appropriate deductive change order shall be issued for all costs incurred by Owner in carrying out such work, including but not limited to attorneys' fees. If the remaining Agreement balance is not sufficient to cover such costs, Contractor shall pay the difference to Owner.

21.7

- 21.8 All provisions of this Agreement which by their nature should survive termination of this Agreement shall so survive termination of this Agreement, including, without limitation, those provisions related to confidentiality, warranty, arbitration, indemnification and limitations of liability.
- 22. Limitation of Liability and Waiver of Consequential Damages. In no event shall Owner be liable to Contractor in connection with this Agreement and/or the Work, regardless of the form of action or theory of recovery, for any: (a) indirect, special, exemplary, consequential, liquidated, incidental or punitive damages, even if Owner has been advised of the possibility of such damages; and/or (b) lost profits, lost revenues, lost business expectancy, business interruption losses and/or benefit of the bargain damages.
- **23. Force Majeure.** Subject to the terms of this Agreement, neither Party shall be liable for any failure or delay in performing its obligations hereunder during any period in which such performance is prevented or delayed by any Force Majeure Event.
- **24. Independent Contractor Relationship.** The relationship between Owner and Contractor is that of an independent contractor. Nothing in this Agreement shall be construed as creating a relationship between Owner and Contractor of joint venturers, partners, employer-employee, or agent. Neither party has the authority to create any obligations for the other, or to bind the other to any representation or document.
- 25. Continued Performance. Each party shall continue performing its obligations under this Agreement while any dispute submitted to litigation or any other dispute resolution process is being resolved until such obligations are terminated by the expiration or termination of this Agreement or by a final and binding award, order, or judgment to the contrary. Notwithstanding the preceding sentence, however, neither party shall withhold any payments due to the other party under this Agreement during the pendency of any other dispute resolution process, including mediation, unless such payments relate to or are the subject matter of such proceedings, or are otherwise subject to dispute, or withholding of such payment is otherwise permitted by this Agreement.
- **26. Publicity.** Contractor shall not use any Owner trademarks, service marks, trade names and/or logos or refer to Owner and/or its Affiliates directly or indirectly in any marketing materials, customer lists, media release, public announcement or other public disclosure relating to this Agreement or its subject matter without obtaining Owner's prior express written consent.

#### 27. General Terms.

27.1 Contractor hereby consents and agrees to allow Owner (or Project Owner and any of their Affiliates), in their sole discretion and judgment, to set-off any of Owner's (or any of their respective Affiliates') existing or anticipated claims for damages or deficiencies resulting from Contractor's Work on the Project against any funds due, or which may become due to Contractor for Work performed. No refusal or failure of Owner to exercise its rights hereunder shall constitute the basis of any right or claim against Owner.

- Where agreement, approval, acceptance, consent or similar action by either party is required by any provision of this Agreement, such action shall not be unreasonably delayed or withheld unless otherwise expressly permitted.
- 27.3 All warranties provided by Contractor, and all of Owner's rights and remedies set forth in this Agreement, are cumulative and are in addition to all other warranties, rights and remedies provided to Owner by this Agreement, all Purchase Orders, any other document, or at law, in equity or otherwise, including all warranties, rights and remedies under the Uniform Commercial Code.
- 27.4 The parties agree that, except as otherwise specifically provided for in this Agreement: (a) this Agreement is for the benefit of the parties to this Agreement and is not intended to confer any rights or benefits on any third party (including any employee of either party) other than the Indemnitees; and (b) there are no third-party beneficiaries to this Agreement or any specific term of this Agreement, other than the Indemnitees.
- 27.5 This Agreement, all of the Agreement Documents, and any Amendments thereto, contain the entire understanding of the parties with respect to the subject matter addressed herein and supersede, replace and merge all prior understandings, promises, representations and agreements, whether written or oral, relating thereto. Upon execution of this Agreement, and any renewal thereof, the terms of this Agreement shall apply to all then-outstanding Agreements between Owner and Contractor. Both parties contributed to the drafting of this Agreement, and had the advice of counsel, and therefore agree that this Agreement should not be construed in favor of either party. Except as expressly provided herein, the remedies accorded the parties under this Agreement are cumulative and in addition to those provided by law, in equity or elsewhere in this Agreement.
- 27.6 Except as expressly provided herein, this Agreement may not be modified except in writing, signed by both parties. All requests for amendments, modifications and/or changes to the terms and conditions of this Agreement ("Amendments") shall be communicated in writing to an authorized representative of the other party. All approved Amendments shall be formalized by an Amendment document executed by an authorized representative of each party.
- Any waiver of a party's right or remedy related to this Agreement must be in writing, signed by that party to be effective. No waiver shall be implied from a failure of either party to exercise a right or remedy. In addition, no waiver of a party's right or remedy shall affect the other provisions of this Agreement.
- 27.8 If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, such provision shall be enforced to the fullest extent that it is valid and enforceable under Applicable Law. All other provisions of this Agreement shall remain in full force and effect.
- 27.9 Except as otherwise provided herein, all notices must be in writing and sent either by hand delivery; messenger; certified mail, return receipt requested; overnight courier; facsimile; or by e-mail (with a confirming copy) and shall be effective when received by such party (as documented by a delivery receipt, confirmed facsimile transmission, or return e-mail acknowledging receipt) at the address listed above or other address provided in writing.
- 27.10 Neither party may assign this Agreement, in whole or in part, without the other party's prior express written consent, which shall not be unreasonably withheld or delayed. Any attempted assignment without such written consent shall be void. Notwithstanding the foregoing, Owner may assign this Agreement without Contractor's consent: (a) to one or more Affiliates, provided that each such Affiliate agrees to be bound by this Agreement; and (b) as reasonably necessary in connection with any merger, acquisition, sale of assets or other corporate restructuring. Subject to the provisions of this Section, this Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.
- 27.11 FOR THEIR MUTUAL BENEFIT, OWNER AND CONTRACTOR WAIVE ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS AGREEMENT

#### 27.12 Choice of Law, Arbitration and Venue

- a) All actions, claims, counterclaims, controversies, or disputes (each, a "Dispute") between Owner and Contractor arising out of or related to this Agreement, the Agreement Documents, or the Work, whether based on contract or tort, shall be decided by binding arbitration with the American Arbitration Association ("AAA") in Miami, Florida, in accordance with the Construction Industry Rules of the AAA then existing, but subject to the requirements and limitations set forth below. If AAA will not enforce the Agreement Documents as written, it cannot serve as the arbitration organization to resolve the Dispute. If this situation arises, the parties shall agree on a substitute arbitration organization. If the parties are unable to agree, the parties shall mutually petition a court of appropriate jurisdiction in West Palm Beach, Florida, to appoint an arbitration organization that will enforce the Agreement Documents as written.
- b) A single arbitrator will resolve the Dispute. The arbitrator will honor claims of privilege recognized by law and will take reasonable steps to protect all confidential or proprietary information. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party.
- c) The party filing for arbitration shall pay the initiation/filing fees and the arbitrator's costs and expenses. The parties shall each be responsible for additional costs they incur in the arbitration, including, but not limited to, fees for attorneys or expert witnesses. The prevailing party in the arbitration shall be entitled to recover as part of the final award all reasonable costs, including attorneys' fees and costs and fees for expert witnesses incurred in the arbitration. The arbitrator may re-allocate other fees and costs (but not the attorneys' and expert fees of the parties) among the parties to the proceeding in his or her discretion as the interests of justice dictate.
- d) This Agreement shall be construed according to the laws of the State of Florida. However, all Disputes shall be governed, interpreted and enforced according to the Federal Arbitration Act (9 U.S.C. §§ 1-16), which is designed to encourage use of alternative methods of Dispute resolution that avoid costly and potentially lengthy court proceedings. Interpretation and application of these procedures shall conform to federal court rulings interpreting and applying the Federal Arbitration Act. References to state law shall not be construed as a waiver of any rights of the parties under the Federal Arbitration Act or the right of the parties to have the procedures set forth in this Agreement interpreted and enforced under the Federal Arbitration Act. However, whenever such laws are not in conflict, the arbitrator shall apply the laws of the State of Florida. The arbitrator's award may be enforced in any court of competent jurisdiction sitting in and for Dade County, Florida. The arbitrator shall have the authority to try and shall try all issues, whether of fact or law, including without limitation, the validity, scope and enforceability of these Dispute resolution provisions, and may issue any remedy or relief that the courts of the State of Florida could issue if presented the same circumstances.
- e) The arbitrator is required to enforce the terms of this Agreement. The arbitrator shall not be authorized to award any punitive damages or any other damages waived or prohibited under the terms of this Agreement.
- f) Prior to any arbitration, mediation and/or litigation arising under this Agreement, the parties shall each appoint a corporate officer (someone other than the project manager responsible for the Project) to meet to negotiate the claim/dispute. Such corporate officer shall have full settlement authority to resolve the claim/dispute. This settlement meeting shall be a condition precedent to the filing of any arbitration and/or litigation.
- g) THE PARTIES FURTHER AGREE THAT SHOULD ANY LITIGATION ARISE DIRECTLY OR INDIRECTLY UNDER THIS AGREEMENT, INCLUDING IF THE ARBITRATION DECISION MUST BE ENFORCED IN ANY COURT, THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL, AND THE PARTIES HEREBY STIPULATE THAT ANY SUCH TRIAL SHALL OCCUR WITHOUT A JURY.
- h) Discovery in any arbitration hereunder shall be limited to the following:
  - i. The production of each side's hard document project files as they are maintained in the ordinary course of business and any file index related to same with all such documents being produced in Miami, Florida;
  - ii. The production of each side's electronic documents provided that the party requesting such electronic documents shall be responsible to pay for all costs associated with such production, including attorneys' fees incurred in the review for privilege and relevance, third-party consultant fees and any other costs associated with such electronic production. The payment of all such costs is an express condition precedent to either side's right to any electronic production. These cost associated with obtaining electronic discovery shall not be taxed to the prevailing party as costs/fees

- and to the extent this conflicts with any provision in the AAA rules, this provision shall control;
- iii. 3 fact depositions with one being a corporate representative under the Federal Rules of Civil Procedure if so requested with all such depositions to take place in Miami, Florida;
- iv. The deposition of any experts that intend to testify at the arbitration hearing;
- v. 30 days prior to any expert deposition, all experts that will testify at the final hearing shall provide a report containing all of his/her opinions and information/documents/facts relied upon in arriving at such opinions, along with a current resume;
- vi. The issuance of third party subpoenas for documents. The other side shall be entitled to a copy of all documents provided in response to a third party subpoena provided that it has to pay for the copy cost but shall be entitled to use a third party to make such copies; and
- vii. An itemized statement of damages with all supporting documents related to same. No other discovery shall be permitted by the arbitrator unless mutually agreed to by the parties.
- This Choice of Law, Arbitration and Venue provision shall survive the termination of this Agreement and/or completion of the Work required hereunder.

Contractor shall evidence that such insurance is in force by furnishing Owner with a certificate of insurance, or if requested by Owner, certified copies of the policies, at least 7 days <u>before</u> Contractor is to commence Work if such certificates are not available upon execution of the Agreement. Notwithstanding the non-renewal or termination of the Agreement, Contractor shall provide renewal certificates and endorsements to Owner for so long as the applicable insurance is required to be maintained pursuant to the Agreement. The certificate shall state the type of Work being performed, and shall be incorporated into the Agreement. The certificate shall evidence the requirements of the Agreement, including but not limited to, specifying that:

  - (b) The policy provides that any change or termination within the policy periods of the insurance coverages, as certified, shall not be effective within thirty (30) days prior written notice to the Owner. A certificate reciting that the carrier or agent will endeavor to notify Owner is unacceptable;

  - (e) Contractor shall add Owner, Project HOA Entity (if applicable), and their Affiliates, as additional insureds on the CGL, Auto Liability and Umbrella/Excess policies by having the insurance carrier issue an additional insured endorsement(s) at least as broad as the ISO CG2010 (04 13) Additional Insured Owners, Lessees or Subcontractors Form B endorsement and CG2037 (04 13), or its equivalent, as published by the Insurance Services Office (ISO).
